"All the world's
a stage..."

Foreword

"All the world's a stage" and every one of us is a performer. We are featured in everyday life in our school and community. This year our Re-Echo is based on this theory. The Seniors of Lyndonville Central School are given top billing and are shown playing their roles in everyday life along with the other students. The entertainment offered by all of our performers varies a great deal — from classroom to activities, and we hope that you will enjoy every scene. With the faculty and school administrators as our able directors, we feel that this year's presentation with the Board of Education as our producers, has been very successful.

Let us remember that from the tiniest kindergarten tot to the mightiest senior — "All the world's a stage".

Dedication

We, the class of 1950, have chosen to dedicate our year-book to Mrs. Frances G. Burke in recognition of all that she has done for us in the past three years. The ideas and services rendered by her have made her valuable to us not only as a teacher and advisor but also as a friend. Since our Sophomore year, with her as one of our advisors, we, as a class, have prospered. We have now completed three years under her guidance, and as a gesture of our deep appreciation, we dedicate this, the final project of our class, to her.

The aim of the Re-Echo Staff is to make a yearbook which is interesting to everyone. We sincerely hope that we have succeeded in this aim and that you will enjoy every page.

The entire Senior Class is on the staff, and with the aid of some underclassmen and our advisors we have produced this book.

We feel that the "Re-Echo" is truly an outstanding achievement this year, as it is bigger than ever before and an excellent example of the cooperative work of the Class of 1950 and some of the underclassmen.

In February of this year, six staff members and three advisors motored to Orchard Park for the annual Buffalo Evening News Press Conference. Several guest speakers addressed representatives of approximately seventy-five schools on the different phases of yearbook construction and presentation. Trophies or ribbons were awarded for the 1949 books. The Re-Echo was awarded a second place red ribbon in the \$700-\$750 class. Next year we hope to improve our rating. The talks proved valuable to us in the actual physical construction of the book.

Since this edition of Re-Echo is the largest ever, it proved a tremendous task to get the book ready for press. Through the cooperation of the staff and Art Club we succeeded in our purpose and are proud of our accomplishment. We have obtained many more ads than ever before and we thank those who worked so diligently in this purpose to make the book self supporting. A snapshot campaign was carried on for the book and also a race for subscriptions among the classes. Both schemes helped make our subscriptions soar.

"Truth is truth 'til
the end of reckoning."

Board of Education

The main purpose of the Board of Education is to further the interest of L. C. S. to the best of their judgment and ability.

The outstanding project this year was the promotion of a building program, which culminated in a favorable district vote for the construction of a new grade school. For safety measures, adjacent property was also acquired.

The Board members serve on various committees for the purpose of better carrying out their work. The Transportation Committee consists of Lewis Rowley, Lloyd Valentine and Leland Hutchison; its purpose is to arrange bus schedules, make recommendations for the purchase of new buses, sanction all repairs of transportation facilities and make recommendations for bus drivers. The Teachers Committee, made up of Leland Hutchison, Lewis Rowley and Floyd Jones, acts in an advisory capacity to the Board in matters relating to the teachers' salaries, and all other matters concerning relationship between the teachers and the Board of Education. Another group is the Athletic Committee, which consists of Leonard Oakes, Clayton Smith and Lewis Rowley; their purpose is to supervise athletics in the school in conjunction with the Principal and Coach, recommend purchases of athletic equipment and make improvements of the athletic field. Arthur Donald, Clayton Smith and Floyd Jones serve on the Repairs Committee, which has complete charge of the repairs and upkeep of all buildings connected with the school. Last, but not least, is the Purchasing Committee, comprised of Harold Patterson, Leonard Oakes, and Leland Hutchison. This group has charge of receiving bids on all major school equipment, such as cafeteria equipment, blackboards, etc.

One of the Board members, Lewis Rowley, is the Vice-President of the Niagara-Orleans School Boards Association. Mr. Rowley is also a representative from Region 2, District 1, on the Central School Boards Committee for Educational Research. The purpose of this committee is to seek methods for the improvement of central school districts.

It is through the work of the Board of Education that we are able to enjoy school as we do. Without question, these men are our sponsors.

Today's Stars . . . Tomorrow's Citizens

On this year's stage, we, the Seniors of 1950 are the stars. We have worked up gradually — first we were stage hands, then we advanced to minor roles, and we finally reached our goal.

Throughout our high school years, we have accepted more responsibilities in the class room as well as in the community. By assuming student leadership in Boy Scouts and youth organizations, taking part time jobs and being active in the community churches and social affairs, we have started our jobs as tomorrow's citizens. As we depart from high school, we realize that even greater responsibilities are awaiting us, and to be successful, we must be ready to accept them.

Knowing that tomorrow's world can succeed only if all its citizens are eager to help it, we, the Class of 1950, look forward toward the future, hopeful of its promises.

We were represented in the Student Council by Robert Pringle and Carol Ehrenreich, who was vice-president of the organization.

To start raising funds for our senior trip we sold candy, popcorn, and pop at the football, basketball, and baseball games. We also had a spaghetti supper in the fall which was a great success. Following this we sold many different kinds of stationery.

Many of the girls participated in the Girls' Ensemble, and Glee Club, and the boys in Boys' Ensemble. Some of our members also helped to constitute the band. Representing us in the All State Sectionals at Hamburg in November were Barbara Neal, Carol Ehrenreich, Robert Pringle, and Donald Wakefield. The boys were active in all sports and look forward to another year of competition.

During the year, we held many events which proved to be well worth our efforts. The highlight of the year was the Junior Prom held in May. It was a gala affair remembered by all.

We also held several successful teen-age parties at which the L. C. S. student body enjoyed dancing and assorted games.

In June, as is the custom, we treated the Seniors to the annual Junior-Senior party. This was an exciting event that climaxed the Junior activities for the year.

We feel that we have had a prosperous as well as an exciting year and are looking forward to an even better year as the 1951 Senior Class of L. C. S.

Two down, and two to go! As sophomores, we reached the halfway mark in our high school career. We need only to make the most of the two years remaining so that we can achieve our goal. At an early meeting, we elected class officers and selected Dean West and Lorraine Nowak for our Student Council representatives. The annual Student Council Meeting was held in April at York Central School and Lorraine had the privilege of attending the meeting. During the year, we entered into various activities and sports with many of the boys and girls from our class participating. Many of our boys also proved their abilities on the basketball and baseball teams. Dick Peters, Dean West and Jim Cook participated in football. Of the girls, Mary Lou Goldsmith, Nancy Belson and Magdalen Ander represented us in the Girls' Ensemble, and Lorraine Nowak served as Vice-President of the Library Club. In the fall tryouts, Nancy Belson and Lorraine Nowak were among those chosen as Varsity Cheerleaders and Carolyn Bayne became a Junior Varsity Cheerleader. In the spring rally, Joyce Skinner and Albert Ames displayed their talents. Albert was a newcomer this year, coming to us from Akron. During the month of February we had a party in celebration of St. Valentine's Day. We had ice cream for refreshments. (Just ask Joyce Skinner!) Forward we go, doing everything possible to uphold the reputation of the high school, and hope we shall be a class long remembered by students in the future.

Our first year of high school proved to be a very successful one and we are looking forward to three more exciting years at L. C. S.

This was our first year to enter into the various clubs of the school. We find them wholly enjoyable and a benefiting way to spend our time. Howard Gates played an excellent part in the Annual Spring Play.

The one big event of the year for our class was an enjoyable party which was held April 26 in the school gym. We all enjoyed round and square dancing and the playing of various games. We had sandwiches and pop for refreshments. Not to mention that Howard Gates drank his share of pop and Miriam Draffin's too! It was a very successful affair that was fun for the whole class.

Carol Hoffman, who had been ill for eight months, returned to school. We also had two new members join the class, Gordon Waters and Francis Woodard.

Three of our Freshman boys were active on the football team this year. They were Howard Gates, Carlton Woods, and Bob Blanchard. Donald Mix, Richard Stalker and Bob Blanchard represented us on the basketball team and Marcia Draffin, Miriam Draffin, Marilyn Fish and Judy Meland were chosen Junior Varsity cheerleaders. Howard Gates and Marcia Draffin were elected to represent us in Student Council. Also many of our classmates participated in Glee Club, Boys' Ensemble, Band and numerous other organizations.

This first year in high school was immensely enjoyed by the whole Freshman Class, who are all looking forward to their second year as sophisticated sophomores.

Our Art Club reorganized for the first time in some years, had great plans this year. We, the members of the Art Club had a successful year by working hard to accomplish our objectives. We willingly helped other clubs, activities and organizations and benefited from the activities, ourselves.

One project which we undertook was stagecraft, which included making puppets and marionettes as well as scenery for school plays. We also made posters for Book Week and for other events throughout the year. Also, one committee put up bulletin boards in the halls, while another took charge of the art room supplies.

The Art Club was responsible for the art work in the Re-Echo. The members did a commendable job of lettering and drawing for the division pages. These difficult subjects showed the ability of our members.

Along with these activities the boys and girls also have been engaged in separate projects. Glass painting portrayed the girls' talent and the boys have busied themselves with linoleum blocks. These projects have encouraged the members to continue their art work. One of the boys, Donald Wakefield, entered a very colorful appropriate poster for the Legion Poppy Contest.

It is with eager anticipation that we look forward to a bigger and better season next year.

Alpha Omega has, in past years, entailed a group of girls interested in the activities and responsibilities of junior homemakers. So great was the interest in these small nuclear groups throughout the country that steps were taken to correlate the aims and goals of high school students into a functioning organization whereby the girls could be benefited.

Their biggest objective is "learning to live better today in order that our lives and those of our families may be better tomorrow."

This group, officially called the Future Homemakers of America, is a national organization for young people. Any pupil enrolled in the high school who is taking, or has taken, a homemaking course in junior or senior high school may become a member of the F. H. A.

Members of the F. H. A. work together on many projects which contribute to better family living. These projects often deal with community nutrition, home improvement, safety, care of children, and recreation. F. H. A. members raise funds and help with such welfare projects as supplying food and clothing for needy children and families.

Four times a year Future Homemakers publish a magazine known as "Teen-Times" which relates the activities of various chapters, contains reports of the national officers who are high school girls, too.

Preliminary plans have already been made for our homemaking club to join the national F. H. A., and it is our sincere aim to be a full-fledged chapter of the Future Homemakers of America by next year.

The Dramatics Club was organized in the middle of September with thirty-six members. This year, for the first time, we studied art of make-up and prompting. We also learned about scenery and stage settings.

Some of our members participated in the annual Senior Play, which was presented November 17. The title was "This Girl Business". The Dramatics Club members who were in the cast were: Stuart Peters, Joan Wilson, Dorris Fish, Janet Peters, and Gordon Scott. The play was very successful and we'll never forget "Winnie" trying to please Aunt Sophronia. At the Spring Entertainment on March 24, the Club presented a play entitled "A Ghostly Evening". This was a one-act comedy in which Marilyn Cook made her debut as a colored maid - we still wonder how she managed to get that black off! This play was also presented at Barker Central School on March 28. Everyone in the club took part in these activities even though they weren't on stage. The ushering, selling of tickets and stage hands all helped to make our plays the successes they were.

All in all, we have had a very successful year. We feel we have accomplished many things and have gained experience which will help us in the future.

The Future Farmers of America is a national organization pledged to the purpose of developing a keen interest, and a high regard for agricultural pursuit among high school boys.

Clare Woodworth and Dean West were raised from Greenhands to Future Farmers. Those who became Greenhands were: Gilbert Cain, Donald Bentley, Donald Dix, Vernon Krisher, and Howard Rogers.

As this article goes to press, we can look back over a very full and successful program for our chapter. Our outstanding activities included the meetings held at Medina, Albion and Barker. Two of our officers were elected to represent us at each. Our state convention was held in May at Ithaca, at which time the officers attended. In January we took a trip to the Rochester fruit show, where our members participated in the apple judging contest. All members took part in the Hoard's Dairymen judging contest in March.

It was voted that we have a club project. Three acres of wheat were planted with high hopes toward the future. Every member shared in the work to make the venture successful.

Our individual "On the Farm" Projects for the year had an approximate investment value of \$6,000.00.

On our social calendar we had two parties, one in the fall and one in the spring, at which every one enjoyed themselves.

At one of the early meetings, plans were laid for the program for the year. As the Library Club is a service club, each member volunteered to contribute at least one period a week working in the library. By so doing, each member of the club was given the opportunity to increase her knowledge of the library as well as to increase the efficiency of its service.

During the past year, the Library Club has tried to enlarge the scope of its activities. Our first project was to sponsor a Book Fair, which was held November 14. Advertising, getting book displays in order and acting as hostesses were some of our activities in connection with the Book Fair, which was a very successful venture. In December, the members of the club had a Christmas party after school. Games, followed by refreshments comprised our afternoon of fun. On March 29, we had a tea for the faculty at which we displayed our new spring books. Mrs. Ernest Breed spoke to the group about the new town library, its services and plans for the future. At the year's end, we had a picnic at nearby Olcott Beach, which was enjoyed by all, and was a fitting climax to our year's activities.

This year the Library Club has also tried to make some improvements in the library. We have completed a Vocational Guidance File, started a pamphlet file and a file for book jackets, and have tried to maintain efficient service by keeping books shelved and otherwise in order. 'Twas a year full of achievement, satisfying to all.

Student Council

The Student Council regulates student activities and schedules them on the calendar. One activity sponsored by the council was a dancing school. It was conducted in the evening and boys and girls who did not know how to dance were taught by other students who were already well versed in the art of dancing. It was very successful and many of the boys and girls learned to dance. Proceeds from this activity were donated to CARE for three packages which were sent to France, Czechoslovakia, and the American Occupied Zone of Germany.

For two years the boys' and girls' basements have been in need of substantially installed mirrors. The Student Council made a project of buying and having those mirrors installed.

For the enjoyment of the students the Council sponsored square dancing one noon a week. We hope we pleased all who placed suggestions that came within our jurisdiction.

Representatives from our Council attended the Western New York Conference of Student Councils which was held at York Central School on April 28. Our representatives learned how other student councils are functioning and how we could make improvements in our own.

We consider this a very successful year in student government and hope that we have done our part in contributing to a smoothly-functioning school.

The Senior Band, with forty-six members, enjoyed a very successful season.

In the fall we played at three home football games. At the last game we formed two letters: an A for the opposing team — Alexander, and, of course, an L for Lyndonville. A portion of the Band also played at several of the home basketball games.

The Senior Band appeared in Concert for the first time at the Armistice Day Assembly. At this time a guest baton twirler, besides our own twirlers, performed during several marches. We also played, for the first time, our "Alma Mater". Our next public appearance was the night of the First Annual Book Fair, on November 14. On the 18th and 19th of November, three of our Band members represented Lyndonville in the All State Band at Hamburg. At the Christmas Assembly the Band rendered several of our best-loved Yuletide Carols. During the remaining winter months we diligently prepared for the Annual Spring Concert and the Music Contest, held at Barker Central School, Barker, New York. We also participated in the County Festival which was held at Medina. During the year nearly all of the Band members appeared before the public in either solo or ensemble work. This was a new experience for the majority of the participants.

This season, the Senior Band has had a year full of both pleasure and activity.

"Strike Up The Band!" And the Junior Band, under the direction of Mr. Fraser Eggert, was organized at the beginning of the school year with forty-nine members. They met the eighth period every Monday either in the gym or in the music room.

The Junior Band made their first appearance of the year in December at an assembly program for the lower grades. This program, however, was duplicated so that all members of the student body would have the opportunity to hear and enjoy it. At this time, among their selections were: "Grand March", "Sweet and Low", and "Now That Day Is Over". During this program the following soloists appeared: Carol and Robert Lacey, Gloria Helsdon, Susan Barry, Sue Krenning, Virginia Humphrey, Carlton Plummer and Carol Riordan.

After this they began work on numbers for the Junior Spring Concert which was held May 24th. Some of these numbers were "Yankee March", "French Gavotte", "Poet and Peasant" (simplified arrangement), and "Abide With Me".

This year a new sparkle was given to the Junior Band by the addition of twirlers. They were Carol Plummer, Brenda Brown, Barbara Maynard, Jo Billingsly, Wanda Munzel, Lois Blount, and Lynn Weinke. They made their first appearance at the spring concert.

Next year many of the members will join the Senior Band. This is a great advancement for them and they look forward to it. They leave with the knowledge that new members will carry on in Junior Band in their places and receive the enjoyment they have in the organization.

Girls' Glee Club

Advisor

MRS. WOLFE

Our Girls' Glee Club is an organization which has two aims. One is to develop and to build our voices for the future while the other is purely to give ourselves, as well as others, some enjoyment. The organization is comprised of over sixty members with Carol Ehrenreich, Marge Rowley and Judy Meland as our accompanists.

Our first appearance of the year was the annual Christmas program. We rendered such seasonal numbers as "Silent Night", "O Little Town of Bethlehem" and "Jingle Bells". We were joined by the Boys' Glee Club and Junior Chorus for this event.

During the second semester we worked on the numbers to be sung at the annual Spring Concert and at a contest which was held at Barker, May 12 and 13. Among these were: "Blue Bells Chiming", "Steal Away", and "Sweet Song of Long Ago".

Last year we obtained a second rating and are working for the all-important first rating. With the cooperation of all the girls we can achieve that goal this year. We may then further our ambition to sing higher grades of music in succeeding years.

At the concert on April 28th, the Glee Clubs and Band joined to present "The Battle Hymn of the Republic".

Public approval as well as the contest rating illustrate the importance of this group and, as always, the Girls' Glee Club was on top in both instances.

Junior Chorus

Advisor

MRS. WOLFE

In the past year the Junior Chorus has accomplished much. It furnishes experience for the boys and girls which will be useful in later years, as it gives them preparation for entering high school chorus groups. Practice is held on Wednesday of each week.

For Armistice Day the group gave a patriotic program with songs and a short play. The play portrayed two boys watching an imaginary parade passing by, which consisted of uniformed soldiers from past wars. The chorus sang "Yankee Doodle", popular during the Revolutionary War, and "Dixie" and "The Battle Hymn of the Republic", the leading songs of the Civil War, and also "Over There" which was carried over from World War I.

The annual spring concert in which the Junior Chorus participated, was presented April 28. At the end of the program they joined the high school choruses, grade choruses, and band in singing "The Battle Hymn of the Republic" by Wilhously.

This year for the first time, the Junior Chorus, along with the other choral groups gave a spring program. The Junior High Chorus sang "Tropical Isle", "O Solo Mio", "Sailing Song", "Now the Day Is Over" and "Andalusia". The Junior High Girls Ensemble sang "Weep Dearest No More", "Until", and "Over the Rainbow". "Down Mobile", "Lazy Song", and "Red River Valley" were sung by the Junior Boys' Ensemble. This took place May 24 and was a real success. Even bigger events are planned for next year.

Girls' Ensemble

Advisor

MRS. WOLFE

This year the ensemble started out with six new members, Catherine Bentley, Magdalen Ander, Nancy Belson, Mary Lou Goldsmith, Marilyn Cook and Grace Anne Giblin; the other six who have been in the ensemble for two or more years were Jacquelyn Barry, Joan Wilson, Janet Peters, Dorris Fish, Margery Rowley and Jane Boyce.

In the ensemble we have a small group that tries to serve the community by singing in churches, clubs, and civic organizations. Some of the places and events at which the ensemble has sung, are the Methodist Church, the senior play, Christmas Operetta, Eastern Star, County Line Church and many other places and events.

Every year we enter the music festivals that are held in various parts of Western New York. This year we journeyed to nearby Barker for the event. Last year at Amherst we received a number two rating and are striving for a number one this year. We sang grade six music, which is the most difficult music listed in the catalog of the New York State School Music Organization.

In November some of the members were entered in the All State Chorus. This year it was held at Hamburg and Barbara Neal, Dorris Fish and Jane Boyce attended.

Carol Ehrenreich was our accompanist and had the honor of being chosen Sectional All State Accompanist.

In all we have had a very successful year and have enjoyed serving the community in various ways. Many of the girls are looking forward to another year of joyous singing. Some of the other graduating members may soon join college choral groups.

Boys' Ensemble

Advisor

MRS. WOLFE

The Boys' Ensemble began the year as a quartet. The quartet served as an inspiration to other boys who consulted Mrs. Wolfe on forming a larger ensemble. About thirty interested boys joined the group and now about half of that group remains. Those boys still in the ensemble are hard-working willing singers who have added a new spark to various programs with their singing.

At Christmas time the boys' and girls' ensembles joined forces to render the selection "'Twas the Night Before Christmas". The boys added a new attraction at the Spring Play. The highlight of their part of the program was their rendition of "Chattanooga Shoe Shine Boy" acted out by Howard Gates and Carlton Woods. This act nearly brought the house down.

At the annual spring concert the ensemble sang four numbers, some of which they repeated at the annual music festival at Barker, May 12th. They sang "Pop Goes the Weasel", "I Got Shoes" and "Dance My Comrade". Once again the two ensembles joined together to produce their very effective version of "April Showers".

The boys worked hard to achieve a high rating at Barker this year. Mrs. Wolfe thought they surely deserved the best because they have worked diligently and earnestly all year in preparation. She also said they have improved the most in one year of any group she has ever had.

The boys intend to improve their organization even more next year in the hope that other boys will carry on in succeeding years.

"Take Me Out to the Ball Game" to witness the hard-hitting Lyndonville team in action! The baseball season got off to a flying start this year with L. C. E. eking out several victories by one or two points.

With the exception of Glenn Stalker and Stu Peters, the team was made up of underclassmen. Our pitchers were Dean West and Dick Peters, Sophomores, and Bill Harrold, Junior. Dick Peters was the team's only southpaw this season. That the baseball team had powerful drive was evidenced by their pulling game after game out of the fire when the cause was seemingly lost. As a team, the players cooperated very well, too. As soon as the warmer weather appeared, they practiced on the ball diamond several nights a week after school, under the supervision and instruction of their able coach, Mr. Arnold Hartsen. The games were particularly exciting because of the keen competition with neighboring schools.

L. C. S. played all members of the Genesee-Orleans League and several members of the Niagara-Orleans League. Games were held at Wilson, Barker, Middleport, Elba, Holley, Medina, Youngstown and Kendall. At the first Elba game, the spectators were certain of an Elba victory because they were leading three to one near the end of the game. Much to Elba's surprise, L. C. S. merged victorious after Glenn Stalker hit a triple, making the final score four to three. It was a very close race to the very end of the season.

"Pass 'em high, pass 'em low! Come on team, let's go!" This familiar cheer often urged the basketball team on to victory throughout the season. That the Varsity gained strength as the season progressed, was evidenced by the fact that they won most of their games during the latter part of the season. Also in most of the games lost, L. C. S. bowed to their opponents only by a very close margin.

Glenn Stalker, star player, led the scoring record by sinking a total of one hundred sixty-two points. The rest of the hard-hitting team scored as follows: Seniors, Don Skinner who amassed eighty-four points, Bev Barry with a total of seventy-nine points, Al Willgens with fifty-nine points, Hugh Houseman who scored forty-six points and Stu Peters with a sum of twenty-two points. From the Junior Class were Bill Harrold who totaled fifty-two points and Pete Grehlinger amassed twenty-nine points. Harrold and Grehlinger are the only ones left to carry on next year as the other Varsity players are all graduating.

Several of the team, who started their basketball career in their Freshman year, have an enviable four-year scoring record. They are Glenn Stalker with a four year total of 522, Bev Barry with 198, Hugh Houseman with 178, Al Willgens with 144 and Stu Peters with 98 points.

A portion of the band, under the direction of Mr. Eggert, played between games on several occasions and the majority of games drew capacity crowds during the entire basketball season.

"Fight team fight!" And that's what they did! This cheer was indeed typical of the 1950 Junior Varsity basketball team, who, all in all, had quite a successful season. Most of the Jay Vee boys will move up to play on the varsity squad next year. They have proven themselves promising candidates, for various reasons. As a team they have really clicked right from the start, for they have played as a hard-hitting team, with no regard for individual honors. Moreover, they have shown an unusual ability to think quickly "on their feet". This, plus their spirited "will-to-win", makes the prospects for the 1951 season bright indeed!

As for individual scores, Dick Peters, Sophomore, led the field with a total of 112 points. Gordy Scott tallied 79 points for the season, Dean West, 75, Clare Woodworth, 66, Bob Church, 41, and Bob Blanchard, who played his first season this year, netted 18 points.

Two-year totals showed Peters out in front with a total gain of 134 points for the two seasons and Scott and Church following with 87 and 61 points respectively.

To make things more lively, a portion of the Senior Band played at several of the Jay Vee games and were very enthusiastically received. With the experience gained this season all through the strenuous, exacting scheduled games, the Jay Vees are well equipped to "pass that ball" in next year's regional competition.

"Come on boys! Get out there and win!" How many times have we heard this familiar phrase as the football team rushed out on the gridiron to meet their opponents?

L. C. S. enjoyed a fairly successful season this year, finishing in fourth place in the Genesee-Orleans League.

Al Schmitt, Pete Grehlinger and Bev Barry all broke the individual scoring record at Lyndonville, previously held by Jim Oakes, Val Marcks and Glenn Stalker, which was twenty-four points. Al Schmitt set a new record with a total of sixty-one points.

Winners of Varsity Letter Awards from the Senior Class were: Al Willgens, Don Skinner, Bev Barry, Glenn Stalker, Al Schmitt, Stu Peters, and Gene Batt. Winners from the Junior Class were: Pete Grehlinger, Bill Harrold, Bob Pringle, Bud Crowley, and Gordon Scott. Representing the Sophomores and Freshmen, respectively, were Dick Peters and Carl Woods. Lee Powley, a Junior, Dean West and Jim Cook, Sophomores, and Bob Blanchard, Freshman, won J. V. Letters.

The Senior Band played at several of the home games. When L. C. S. played Alexander, the Band formed both an A and an L on the gridiron at the half. Marilyn Cook, Pat Rowley, Janet Peters, Marge Rowley and Dorris Fish led the football cheers, which added zip and color to the games.

L. C. S. won three league and one non-league games. Three times we bowed to our opponents and tied with the league champion. The students and townspeople supported with enthusiasm all the home games this season.

Boys' Intramurals

Coach

MR. HARTSEN

This year the Boys' Intramurals was exceedingly successful in creating a spirit of competition between classes and inspired the players with the feeling of true sportsmanship.

The basketball season for this year was very exciting. The Senior Class of 1950 won the championship in basketball for the third successive year. They had the spectacular record of losing only one game in three years. The Juniors with an undefeated Junior B team scored a close second. The highest individual scoring honors were given to Glenn Stalker and Peter Grehlinger, both having 76 points in their favor.

The ping pong tournament attracted attention. In there individual playoffs, in which everyone participated, the final victory was won by Vernon Krisher, who was the ping pong champion for the year. A badminton tournament was also held and most of the boys participated in this.

Other sports in which the boys took part during the season were volleyball, football and baseball. The Seniors received the Intramural Championship, signifying their accomplishment in all sports on the Boys' Intramural schedule.

The year 1949-50 was a busy one and the competition among the boys was keen. They played regularly on Wednesday and Friday of each week, under the able direction of Mr. Arnold Hartsen, the coach. These noon hours also provided excitement for the spectators that cheered their team on to victory. The teams found much enjoyment from their participation and the season can be recorded as a successful one.

Girls' Intramurals

Coach

MISS ALICE GRAY

This year our Girls' Intramurals have had a very full program. We started off with a new sport, called soccer baseball. After the scheduled games were over it was the Sophomore Class which emerged victorious. Next on our program came volleyball. These games were very close but at the last, the Junior girls came out on top.

Our basketball season was one of the most exciting in several years. A number of games were played between classes, with several very close decisions. To make our season complete the Junior and Senior girls were invited to visit Medina and join in a game with their Junior and Senior teams.

Moreover, a new feature was added to our sports program this year. Tournaments were set up among the high school girls in both ping pong and badminton. Each class had a tournament in ping pong and the winners were: Freshman—Mary Helsdon; Sophomore—Lorraine Nowak; Junior—Joan Krisher; and Senior—Janet Peters. Joan Krisher became the girls' champion in high school with Janet Peters as runner-up. The individual winners in the badminton tournament were as follows: Freshman—Judith Oakes; Sophomore—Lorraine Nowak; Junior—Barbara Neal; and Senior—Dorris Fish. Lorraine Nowak won the tournament for the high school with Dorris Fish a close second. These tournaments inspired friendly competition and new interest in the sports.

We completed our year of intramurals by playing baseball. Once again this was an inter-class sport in which the Juniors (!!!) emerged the victors.

The competition this year should inspire succeeding classes to compete in the different sports.

Class Prophecy

Well here it is, 1960. The tenth class reunion is being held at Willgen's Amusement Park. Remember back in 1948 when we had our Sophomore picnic at Alfred's modest little cottage by the lake. Gosh, Alfred sure has expanded.

Here's Stuart Peters the president, still taking charge as he did for us in our Junior and Senior years. By the way did you know that Stu has gradually risen and is now making a fortune taking care of wealthy ladies' pets?

There's Marilyn Cook and Shirley Newman together as usual. They even live in a double house. Their husbands still have a job keeping them from driving in the stock car races.

Look, a flash. Was that lightning? No! It was just Carl Staiker, the Crime Photographer. Say kids watch for your pictures in the next issue of Rogues' Gallery.

Over there's Kathryn Blanchard by the pop stand. She says that shorthand comes to her *very* easily these days. We all can see why. With a boss as nice as hers, anyone could take shorthand.

Sauntering along, comes Don Skinner and he reports that he is living a life out in the wide open spaces. Back at L. C. S. we all laughed when he said his future plans were to live the life of Riley, and it seems he has lived up to his ideals.

There's Joan Wilson with a few of her charges in tow. We hear she is now a professional baby sitter and that that home of hers really keeps her busy.

Oh look who's selling tickets at the ferris wheel now instead of for boat rides! Betty Jean Maynard has evidently risen to the higher things in life.

Here comes Billy Porter and Hughie Houseman with their ten gallon hats and their spurs a clanging. You know they're co-partners on a big ranch deep in the heart of Texas.

Why there's Ronald Flatt in the midst of a crowd giving them a line as usual. He's now a traveling salesman and his specialty is ladies' wear.

A rumor comes to our attention that Marge Rowley is still madly studying for her doctor's degree. What's taking her so long? We heard you could get one in seven years.

Here comes Jane Boyce dressed in a slick navy blue uniform. She tried to join the Navy but they wouldn't have her so now it's the Waves for Janie.

Step aside everyone before you get run over. Mrs. Burke and her new 1960 limousine are coming in for a landing. Must be she really has saved her pennies in the past ten years.

Why there's Anna Stelianou by the kiddie ride looking out for the youngsters as usual. We hear that she is now the kindergarten teacher back at L. C. S. How's your patience holding out Anna?

And right behind her is Gerhardt Schmid. What's the matter? All those bumps and bruises! Looks like you were in an accident or something. Driving too fast?

Let's all take a ride on the merry-go-round. Well look there's Stanley Rosenbeck. After madly doctoring horses he has finally turned to the ones on the merry-go-round and is still going around in circles as usual.

E. HILL — Lyndonville Agent

There's a report that all refreshments here at the park were donated today by the newly named store — Dorothy Schorb, Father and Brother.

By the way there's the former Beverley Riches! How's that streamlined Buick holding out after ten years of use?

There's our star athlete, Glenn Stalker. Oh! dear, he's limping again. Glenn, you had better stick to checkers rather than playing pro basketball.

We hear that the Waldorf has recently closed down. Well, no wonder with Janet Peters in charge of the food. Janet had better take it easy or she won't have a husband. She's busily surveying their methods of food preparation over by the hot dog stand, see?

There's the Sunday School teacher, Jackie Barry. How are all your little angels behaving, Jackie?

Have you heard the latest news? Roger Woodworth was so prosperous on his farm that he bought out the Buick company. So of course they have the latest model. Look what tomatoes did for him!

There's Keith Scharping. He just flew in from Washington. He's getting to be quite a politician *these days*. He's already rounding up votes for President. With him is Wayne Watson. Wayne has finally realized his one ambition. His latest comic strip, Robiespierre Rat, counterpart to Mickey Mouse is a sensation.

Have you any problems in your love life? If so consult Arline Costich, who is the author of the new "Advice to the Lovelorn" column under her pen name Wilhemina Knowsall — and tells all. She has a booth here at the park. See it?

Looks as though David Thiel is the one so determined to win at the Bingo Stand. Just watch him! Did you know he now runs a dancing school with square dancing as his specialty? What an influence Wright's Corners had on him.

Put on your sun glasses and take a gander at Playboy Batt, over there. Remember when he was just plain Gene? And look at that Florida tan on those two bathing beauties with him.

What's all the excitement about? Why here comes our famous celebrity, Marcia Hill. She's quite an artist now you know. Oh, that modern art!

Do you see Bernie Helsdon? He is just back from Switzerland. They say he's made quite a fortune on his latest invention, plugging the holes in Swiss cheese.

And look what's coming. It's Beverly Barry and by gosh he's alone. They say that now he's settled down to one girl instead of his usual dozen.

What's all the yelling? Why, Alfred Schmitt offered his services for the day and is doing the barking at the game stand. He's finally been promoted to top Sergeant after years of hard toil at the Armory in Medina.

There's Dorris Fish, who married that famous pharmacist, John Cann. Their first child was named Tuna Fish Cann. This fad for names is certainly getting out of hand.

And last but not least let's see how Miss O'Brien's coming along. She's here too! She hasn't forgotten the antics of that Class of 1950. But after all how could she. She is still pushing kids to raise money.

Now to close this happy reunion of our class members of 1950. We'll be seeing you again in 1970 . . .

Class History

Written by — Janet Peters, Dorris Fish, Dorothy Schorb, Bettie Jean Maynord

Produced by — Various Long-suffering Teachers of L. C. S.

Time and Setting — Lyndonville Central School — 1938-1950

ACT I

Scene 1

We, the class of 1950, began our career in September, 1938. As the curtain went up, we saw thirty-four little first graders being directed by Miss Harriet Jones. Of the original thirty-four, we retained seventeen. By name they are, Jacquelyn Barry, Kathryn Blanchard, Marilyn Cook, Dorris Fish, Shirley Newman, Jane Boyce, Janet Peters, Margery Rowley, Anna Stelianou, Joan Wilson, Beverly Barry, Hugh Houseman, Stuart Peters, William Porter, Keith Scharping, Carl Stalker, and Roger Woodworth. The big event of the year was our presentation of the play "The Three Bears". The cast of this production consisted of Lee Powley, Joan Wilson, Margery Rowley, and Janet Peters. We all remember our first experience in music — rhythm band. That was when Marge Rowley was conductor. Jane Boyce left us in the middle of the first year, but returned in the fourth grade.

Mrs. Etta Miller guided us successfully through the second grade, and Bart Barry joined us at this time.

Our third and fourth years were happy ones, spent under the leadership of Miss Ruth Wagner. In the third grade we made several additions. Among them were: Donald Skinner, Ronald Flatt and Helen Bergeman. At this point we lost Stuart Peters. Miss Wagner passed the third grade along with the class and once again acted as our instructor. In the fourth grade we added to our class Glenn Stalker, Wayne Watson, and Jane Boyce rejoined us after three and a half years' absence.

Miss Marjorie Dunham watched over us in fifth grade when Gerhardt Schmid and Marcie Hill joined us. Sixth grade found us upstairs — a great achievement — and the directing lady was still Miss Dunham. We always wondered if she moved because she liked us so well or if she wanted to come upstairs too. Ah! well — that was food for thought!

Seventh grade found Act I drawing to a close. We were at last in Junior High School, and changed periods when the bell rang — Oh! Happy Day. Miss Mary Maynard was the director until she left and Mrs. World took over. Beverley Riches, Stanley Rosenbeck, Alfred Willgens, David Thiel, and Alfred Schmitt joined us this year.

At the close of Act I, we had Mr. Herry as our very able director. Bernard Helsdon and Eugene Batt came, and Stuart Peters rejoined us this year after attending school in Kenmore. This closing scene also brought our first regents, which we all feared but finally survived with surprisingly few ill effects.

ACT II

Scene 1

At the opening of this act, the scene had changed, for we were now freshmen and had lockers, which we found a trial rather than a joy! In our Freshman year our class officers were: President, Beverly Barry; Vice-President, Alfred Willgens; Secretary, Joan Wilson. Many of our boys participated in the various sports and six of our girls had the honor of being chosen the first JV Cheerleaders in our school's history!

Scene II

Our Sophomore year, again finds Beverly Barry as our president, and Alfred Willgens as vice-president, with Jane Boyce, secretary and treasurer. Miss Betty Molyneux and Mrs. Frances Burke were our advisors. Arline Costich was our only new member this year. Some of our students were chosen to act in the annual Senior Play. We were still very active in sports and some of our girls were chosen Varsity Cheerleaders. Our boys had the fortune of winning the "Little Black Jug", which is given as a trophy to the winners of the inter-class sports. Also the class presented a skit, "Why Teachers Go Nuts", which was voted by the faculty as the best class skit presented by the high school. The year was climaxed by a party at the cottage of Alfred Willgens. The water was a little cold that year, wasn't it boys???? or whatever those blue-looking creatures were.

Scene III

Juniors — at last — and we started out with a bang! Class officers were elected: Stuart Peters, president; Alfred Willgens, vice-president; and Jane Boyce, secretary and treasurer. Advisors were Miss Florence O'Brien and Mrs. Frances Burke.

During this year a round and square dance was sponsored and also a Minstrel Show was presented in which all members of the Junior Class participated. This show was a comedy of songs, dancing, and jokes. Remember the oranges, bananas, and gum? The year was highlighted by the Junior Prom at which time Helen Bergeman was crowned Junior Prom Queen and Jane Boyce and Arline Costich reigned as her attendants. My, the girls looked pretty and the boys handsome in formal dress.

This scene was closed by the anxious Juniors looking forward to their final year in high school.

ACT III

Scene I

Our Senior year began rolling with Stuart Peters as president, Alfred Willgens, vice-president, Jane Boyce, secretary-treasurer, and Joan Wilson and Stuart Peters as Student Council representatives. Mrs. Burke and Miss O'Brien were our advisors once again. Alas! How could Mrs. Burke stand us!

Helen Bergeman departed from the class this year to attend school in Lockport.

Throughout high school most of the students participated in Glee Club, Band, and Intramurals. A round and square dance was held and the Senior Play "Quit Your Kidding", a comedy, which consisted of a cast largely made up of Seniors brought in revenue for our Senior Trip.

Finally the Seniors were ready to end their high school career and begin the long awaited Senior Trip. On June 25, the Baccalaureate Service was held; June 26, the Alumni Banquet; and June 27, 1950 the graduation exercises were held. This was the most awaited event of all our school year.

At the close of this act all the seniors will be following individual careers, each hoping for success.

CURTAIN CALL

We had many students who left us through the years and correspondence has been carried on with a few. Among them are some whom we know many of you will remember. Pat Martin will graduate from a school down in that "Atomic Town", of Oak Ridge, Tennessee. Norman Hass went to Middleport and will end his secondary school career there this year. Helen Bergeman, a very active former classmate, will graduate from Lockport High this year. Another former classmate, Barton Barry, is now a sailor and is spending his time aboard ship.
