Lyndonville, New York

FOREWORD

Our school, our town — Lyndonville. Each is steeped in tradition, mellowed by age, yet each a vibrant, living entity.

From school and community stem the rootstalks that form the very bulwark of our Nation, the foundation of the future.

While school and state are inherently independent and separate in our country, here in our school and community there is an ever-increasing "oneness".

The spheres of school and community activities interlock to become almost indistinguishable, one from the other, each determined to leave to posterity a heritage of greater knowledge, greater tolerance, greater civic pride, greater vision and greater awareness that the youth of today are the parents and the community leaders of tomorrow.

So it was with the profound hope that here in this yearbook may be found the "echoing" of that intimate school—community relationship that has characterized our years at Lyndonville Central, we, the Senior class of 1957, chose "Our Town" as the theme of this, the 1957 edition of the "Echo".

DEDICATION

We, the Senior Class of 1957, dedicate this 1957 edition of the "Echo" to Mr. and Mrs. Warner, in appreciation of their efforts in both scholastic and extra-curricular activities.

None of us will ever forget the very able assistance we received from Mrs. Warner on our class projects, through her knowledge of the activities of previous classes. We will always remember the many interesting projects we engaged in under Mr. Warner's capable direction.

We, the Senior Class of 1957, extend to you, Mr. and Mrs. Warner, our sincere wishes that you may continue to spend many more enjoyable years in close association with Lyndonville Central School and the community of Lyndonville itself.

MR. AND MRS. WARNER

ADMINISTRATION

SUPERINTENDENT OF SCHOOLS
Mr. Osborn

ADMINISTRATION

Our Town, Lyndonville, where school and community function together to bring us the best possible education — to you and to our legislative force we gratefully give thanks.

In his second year of office as Superintendent of Schools, Mr. Harold R. Osborn has worked hard to keep our school well above the standards set by the State Department of Education.

Our town is united with our school system by the Board of Education, Mr. Francis Rumble—president, and by the Parent-Teacher Association, Mrs. Harry Maines, Jr.—president. Our officials of the administration are Mr. Robert O. Starr, Supervising Principal; Mr. Donald Herry, Vice Principal of the High School; and Mr. Earl Warner, Principal of the Elementary School, all of whom have done excellent jobs guiding us through the years here at Lyndonville onward to our goal—graduation.

Our burden was lightened considerably by the excellent teachers who have helped us to higher knowledge and a broader outlook towards the world in general. Mrs. Custer has kept our records straight and has been most helpful to us with our applications for college.

Our custodians, bus drivers, and kitchen staff have seen us through our years by doing their tasks to the utmost of their ability.

We thank you, Lyndonville, both school and community, for giving us such a good start into the world where we shall try to uphold your precious gift.

—Bob Muchow

SENIORS

CLASS HISTORY

Our town must have looked the same as on any other day to most people on Tuesday, September 4, 1945, but to the fifteen original members of today's graduating class, Christopher Billingsley, Hugh Clark, Marjorie Conner, David Dix, Mary Fiegl, David Herry, Hugh James, Gail Johnson, Alan Jones, Marcia Larson, Carlton Plummer, Carol Plummer, Roger Riemer, Jeffrey Smythe, and Noralu Woodworth, it was the beginning of twelve long years of attempted education. Robert Muchow joined the class in the fourth week and we progressed under the able guidance of Miss Lucille Artlip that year.

In our second year we were joined by William Woodroe, Mary and Barbara Schmitt, Marcia Voelker, Paul Roth, and Claude Cooper. With the aid of Mrs. Etta Miller, the Senior Class of 1957 learned to write.

In the third grade there were seventy-three pupils, who were for the first time divided between two teachers, namely Miss Elinore Patten and Mrs. Lillian Peters. We were joined this year by Richard Hoffman.

We were met with open arms in our fourth year by Miss Helen Lienhart and Miss Ann Dooley. Added this year were Mary Lois Porter, Barbara Retzloff, George Pritchard, Dale Harris, Kae Manning, Rae Manning; all of whom have since left us. During this year some of our characters began to take shape. Marjorie Conner had her first, much publicized, romance with Bob Muchow.

In our fifth year of academic endeavor, we learned the magic words, "Open see same," from Mrs. Marjorie Cooper and Miss Janet Rose Straub. This year we welcomed Jean Ames and James Rogers to our class roll. We recall in this year, very vividly, Bob Muchow, Teddy Teffner, and "closets".

Mr. Earl Warner and Miss Marjorie Dunham were the lucky recipients of sixty-two sixth graders. The Class of '57 was joined this year by Leonard Pritchard and Norva Everts. This was our first bout with progressive education, that is, we sat with our desks together and Mr. Warner explained the use of the pronoun "he".

As seventh graders we eagerly awaited this year when our days were to be divided into periods. We had reached junior high school. Our home room teachers this year were Mr. Horace Phillips and Mr. LaVerne Warner. For the first time we sent two representatives to Student Council; they were Carlton Plummer and Jeffrey Smythe. Fred Bentley, Paul Boreck, and Gail Hildebrant completed our class for this year.

Regents awaited us at the close of our eighth year. With this in mind we set to work under the supervision of our home room teachers, Mrs. Winifred Byerly and Mr. John Roloff. Among the departures this year were Virginia Albright, (Carlton's true love), Bernard Barry, and Theodore Teffner. In Student Council we were represented by Jean Ames and James Rogers.

After we successfully completed our first experience with Regents, we awaited the exciting event of becoming Freshmen. This year we were really in high school and took pleasure in setting our classmates' lockers and in taking part in extra-curricular activities. Miss Suzanne Parsons and Mr. George Kelly were the guides for fifty-five determined students. Janet Mapes became a class member this year. Our class officers were Jean Ames—president, Gail Johnson—secretary. Marjorie Conner and Leonard Pritchard were Student Council representatives.

As we climbed the second step in high school we were under the leadership of Jean Ames—president, Carlton Plummer—vice president, Noralu Woodworth—secretary, and Carol Plummer—treasurer. Robert Muchow and Carlton Plummer were our Student Council representatives.

By our eleventh year we became dimly aware that we were completing our high school education. As a class, with president Jeffrey Smythe, we defeated the Seniors in the annual fund raising drive for CARE; and then refused to buy soft drinks for them at the Junior-Senior picnic. That year we lost Gloria Beales, and Norva Everts went on to graduate. Mr. Dilcher and Mrs. Bradley, our advisors, did their best to discourage us in the idea that we should be first in the lunch line as well as everything else.

Some of the Juniors crossed the boards for the first time this year in the Senior Play, "The Nervous Wreck". We sold candy, presented the annual Junior Prom, sold Christmas cards and sold refreshments at basketball, football, and baseball games, put on suppers and all the other fund raising projects that we could think of. The King and Queen of our magnificent Junior Prom were Jeffrey Smythe and Gail Johnson. The decorations were made spectacular with the aid of the "man on the flying trapeze" who fell "in the line of duty" two days before the Prom.

We started our Senior year off with a bang, with the annual Senior Play, "The Cannibal Queen". This year there was the last minute rush as many of our class members filed applications for college. With our class advisors and Mrs. Warner, our home room teacher, trying to check our enthusiasm, we set out on a rash of projects: supper, selling taffy, dances, selling yearbook advertisements and other sundry activities. Two of the few changes in our class roster this year were the addition of Mary Lou Hughes and the loss of Barbara and Mary Schmitt.

In addition to our projects we found a little time for school work. One of the reasons for this could have been that the chemistry class didn't have the same makeup as last year's physics class. Mr. Herry whipped us through trigonometry, "I don't say Trig is your most important subject, just do it first"; and Mrs. Warner squeezed us through American History to the accompaniment of "Now folks". With Bob Muchow as our class president, Marjorie Conner as vice president, Jean Ames again treasurer, and Gail Hildebrandt as secretary, Carlton Plummer, Claude Cooper, and Chris Billingsley in Student Council, we glided through our Senior year all too fast, in contrast to the other years. We had long awaited graduation and upon its arrival made our bow as the Class of '57.

During this, our final year at L. C. S., the Senior Class has worked diligently to improve our standing as young people in "Our Town".

Under the direction of our president, Bob Muchow and supervision of our capable advisors, Mrs. Bradley and Mr. Dilcher our class has had a very successful year.

When the class was settled after summer vacation we began to plan projects which would raise funds for our long awaited senior trip.

Our first undertaking was a roast beef supper, our next project, a magazine campaign, was very successful and total receipts soared above those attained by any class at L. C. S.

In November came the big production of every Senior Class, the annual Senior Play. This year we chose "The Cannibal Queen", a hilarious comedy which brought out the amazing dramatic ability of our class.

The class sponsored the "Sno-Ball" in December, a dance which will be remembered forever.

At the beginning of the second semester, we were working on the 1957 "Echo" and sure that this would be the best yearbook in L. C. S. history.

Now as we graduate and step out into the world that surrounds us, we can look back and appreciate the knowledge, courage, and confidence with which we have been endowed by our parents, the faculty at L. C. S., and the people of Our Town.

As Juniors, our responsibilities have grown and have united the class, giving each member a common objective — the Senior trip.

Every person in the class came to know every worker, every machine, and every inch of the canning factory as we tapped each worker on the shoulder with a "Wouldn't you like a hot dog?" or "What do you want on it?"

Again at the sports events and at Youth Center we used our best salesmanship in selling candy and pop. However, at times our profits diminished as we spilled pop on the "Three Musketeers", squashed a candy bar, or ran out of paper cups.

As we look back upon our dances, suppers, the joy in receiving the long awaited class rings, and our eventful Prom, we realize that our experiences in our school, in our town have been worth the effort and the worries of our year. May the Senior year be as rewarding!

The Sophomore class, in our first year of actual high school, has had a year of activity and responsibility. We elected Randy Bane as President, Shirley Fitchlee as Vice-President, Dianne Zanow as Secretary, and Sue Hey as Treasurer. In Student Council we were represented by Mildred Dix and Michael Zapf. Miss O'Brien and Mr. Dingler were chosen as our class advisors.

We have started building our class treasury by having several bake sales and collecting class dues which were set at two dollars for our Sophomore year.

Our class has been well represented in school activities. Several of our girls have been cheerleaders and many of the boys have participated in the various sports.

JUNIOR HIGH CLASSES

Every school year brings its changes and this year was no exception. Our Freshmen were assigned to the former kindergarten room which had been re-furnished with suitable chairs and lockers. Billy Wright was chosen President, Rosemary Bentley and Shirley Quintern represented the Freshmen on the Student Council. Miss Hickman and Mr. Hartsen acted as their class advisors. Three girls represented the class on the Junior Varsity Cheerleading Squad.

The various eighth grade rooms elected officers and they selected Janet Housel and Nancy Custer to serve on the Student Council.

The Junior High Classes were now taking part in sports, music clubs, cheerleading, and other school activities. Each class had its own interests and problems. The Freshmen were happy and content in their new role; but the eighth grade was slightly worried by the approach of the June Regents.

Because of the increased enrollment in the High School this year, the seventh grade remained in the Elementary School where they remained active as leaders in student government, athletics, music, and publications. Martha Herry and Donald Manley were their High School Student Council Representatives. Certainly we will be happy to welcome them to our number next year.

GRADES K - 6

PRINCIPAL OF ELEMENTARY SCHOOL

Mr. Warner

ELEMENTARY SCHOOL

This year the seventh grade was included in our school, taking part in the Student Council, but going over to the High School for assemblies.

Representatives from all rooms were elected for the Student Council.

The sixth grade was the Safety Patrol again this year. They, along with members of other grades helped Mrs. Billingsley in the library.

Under Miss Hickman's direction, we presented the Christmas operetta, "Christmas Fantasy", in which many students participated. Mr. Plummer is getting students ready for the Elementary School Band.

Some of the classes left Our Town on educational trips. The kindergartens went to the Christmas Park in Albion for a visit to Santa Claus. The third grade went to the Buffalo Zoo for a look at the animals. The fifth grade went to Fort Niagara for an interesting visit and the sixth grade went through the Buffalo Museum. All in all, we've had a very busy year.

The Student Council of the Elementary School has four officers from the seventh grade and a member from each of the other grade rooms. These members of the Council choose the assembly programs which are presented during the school year. Each one votes for the program which he thinks his grade would like best.

The Student Council decides what we will buy for the Elementary School with the money which we receive for sponsoring the students' individual pictures and for selling seeds. So far, we have purchased a set of World Book Encyclopedia for the library and two hi-fidelity phonographs for use in our class rooms and gymnasium.

Members of the Safety Patrol who direct the children across the street and into the buses, monitors who keep order in the halls and those students who help in the library do a great deal of work and should receive an equal amount of credit. The Student Council awards merit badges to these boys and girls at an assembly toward the end of the year.

MUSIC CLUBS

Our town echoes with the songs of the year's vocal groups. In addition to the usual choir and chorus, this year we had a girls' chorus and a girls' quartet.

In November the chorus and choir entertained at an assembly: Eight members of the Music Club represented Lyndonville at All-State, held this year in Medina. Again in December, the chorus and choir entertained at assembly, this time with the addition of a special, all girl Angel Choir.

January found Lyndonville students again performing far from home as the Girls' Quartet and a male soloist, Ted Byerly, toured the wards of the Veterans' Hospital in Batavia. In April a chosen few were sent to the County Choir in Albion, where they had their first experience in singing with a large group.

The choir sang in competition in May at the Music Festival in Lockport. This month is remembered best, however, for the annual Spring Concert which was a great success.

The final, and to some the most important, performance was at graduation when, with the fading of the last few notes, the year's song was ended.

When school started in September, the Lyndonville Central School Band began another interesting year.

Under the able and diligent leadership of Mr. Plummer, the band began its year of activities with pep bands at the football games. The pep bands continued to contribute to the spirit of the school by playing at the school's basketball games.

Besides presenting a Christmas assembly program in conjunction with the vocal groups, the band presented a spring concert which was very entertaining.

The band made a trip to hear the United States Marine Corps Band at Kleinhans Music Hall in Buffalo. Members attended the all-state sectional band contest at Medina and participated in the Orleans County Band Concert at Albion.

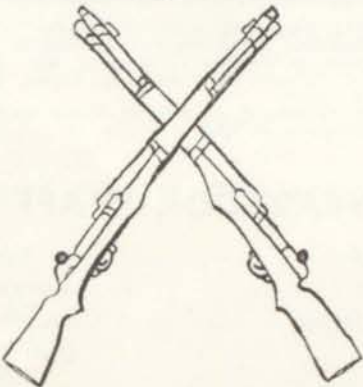

A junior band was started in the elementary school system which promises to add much to the development of the senior band in later years.

The year closed with a Memorial Day Parade performance by the band in fine form.

Congratulations on another year of fine participation and exhibition.

Under the guidance and supervision of Mrs. Billingsley, work on the 1957 Echo began. The sale of ads and yearbooks was slow at first but with the cooperation of all the Seniors our sales campaigns were successful.

After much discussion, the class decided to have "Our Town" as the theme for the yearbook.

A snapshot contest was conducted by our Photography Editor, bringing in many pictures for our photo pages.

With a deadline facing us, the Editors worked hard to see that all photographs were properly identified, the articles revised, and the advertisements and subscriptions were sold. Putting the yearbook together is a long and hard job, but the 1957 yearbook officers enjoyed it.

We hope the Lyndonville Echo will continue to bring back memories for many years to come.

<i>Secretary and Treasurer</i>	-	-	-	-	CLAUDE COOPER

The Student Council worked under a new constitution this year. The first duties of the Council included supervising the election of cheerleaders and selecting the assembly programs for the next year.

During the Christmas season, the Council conducted a drive for U. N. I. C. E. F. which was a success, netting fifty dollars. In order to increase the amount of money in the treasury, the Council sold individual pictures of the students. The Student Council netted approximately sixty dollars from this venture. A contribution of fifty dollars was made to the Student Welfare Fund.

As the year went by, The Council considered assuming the duties of the Youth Center Committee and inaugurating a student insurance plan.

We the members of the Press Club, being proud of our school and town, have tried to keep the students and other interested people well informed about the school activities. Our "Tiger's Roar" has brought forth all the news in bi-monthly papers, circulated in both the Elementary and High Schools and available uptown. New and varying articles have appeared in our paper, including Scholarship Contests, Editorials on School Affairs, a Record Section, and bits of trivia.

With the aid of our two capable advisors, Mrs. Wulf and Miss O'Brien, we have had a very successful year and now look forward to next year's challenge — the "Tiger's Roar" of 1958.

Both students and club members have been happy to welcome our new librarian, Mrs. Billingsley. At our first meeting we elected new officers and held a discussion to acquaint Mrs. Billingsley with the way in which the Library Club was run last year.

As in previous years, we have a schedule whereby each of our members has at least one period of library work to do each week. Our bulletin board, containing the book jackets and other representations in commemoration of the important events of the year, has been diligently maintained. We are not charging any fines this year for overdue books. The success of this venture is very pleasing to us.

There are over three hundred new books on the shelves of the two libraries. Thirty-two of these were given to us by the Parent Teachers Association.

In addition to the meetings when we worked on library techniques, we enjoyed a Halloween party and a Christmas party. This has been a challenging year of learning and working.

Consuls (Presidents) - CHRIS BILLINGSLEY, DIANNE ZANOW
 Quaestors (Sec. Treasurer) - PAT SMITH, GAIL HILDEBRANT

A very special part of Our Town is the exclusive Latin Quarter. Under Mrs. Byerly's leadership, senators, knights, plebs, and slaves convene every month to learn more about the Roman Heritage.

Representing old Rome's political life, Consuls Chris Billingsley and Dianne Zanow preside over the little republic with the help of Quaestors Pat Smith and Gail Hildebrant.

Our Town has viewed many Latin Projects this year. A Roman calendar was made, telling the date and holiday as it would two thousand years ago. December brought the festival of Saturnalia and a Roman skit.

In January, the ordinary members of Our town watched with skepticism as their Latin friends set out on a long awaited plan. The slaves, first year students, were sold at our regular meeting to the highest bidder. The following month, these new owners had a slave for a day to carry their books and perform their slightest whim. The day was finished with a tureen supper and meeting including initiation.

March brought Roman movies about Naples and Rome and the Latins settled down for the social event of the year — the banquet complete with an elaborate Roman menu, costumes, eager (?) slaves, and grand entertainment.

It is plain to see that Our Town would never be complete without the Romans and their Latin flavor.

When the school year of 1956-57 rolled around, our president of last year, Carl Plummer, tapped the gavel once again as a sign for all Future Farmers of Lyndonville to join together in Cell 105. The first items of business were electing officers, raising green hands to Chapter Farmers, and initiating new green hands.

The program of work for the year consisted of the third annual F. F. A. banquet, a scrap metal drive, a farm safety program, and a continuation of crop demonstration. Our failure last year in crop demonstration was due to the weather, a gamble for any farmer.

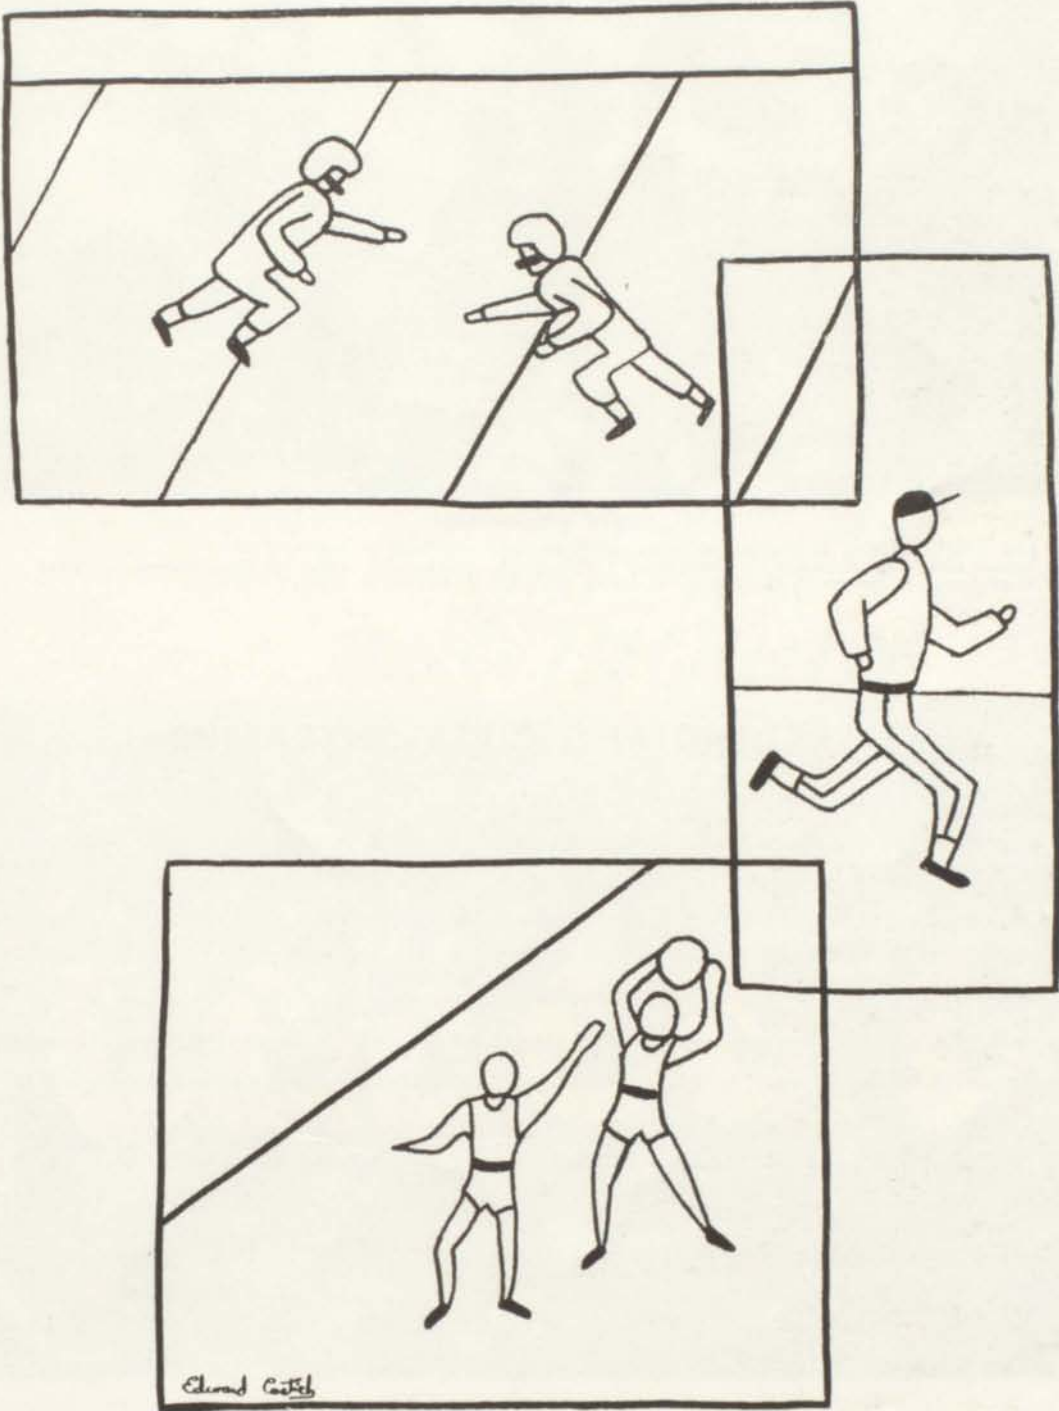

Again this year we competed with other schools in Orleans County in a parliamentary procedure contest in which the Orange and Black succeeded in gaining second place. Also, in rounding off the year, the F. F. A. team took an active part in sports. They came out on top in Orleans County F. F. A. Basketball Competition.

CHEERLEADING AND GIRLS' INTRAMURALS

Once again the student body met to elect their cheerleaders. This year's Varsity, dressed in black jumpers and orange blouses, and Junior Varsity, in black jumpers and white blouses, did their best to cheer our boys on to victory. One dance was held during the basketball season for the entertainment of both teams and any spectators who wished to remain.

The six Varsity girls attended a cheerleading rally held at Brockport State Teachers College to try to bring home new ideas for arousing more school spirit.

Due to conflicting class schedules, the girls' intramural teams have not met, but groups of the girls have participated in inter-school volleyball games. One such game was played at Holley early this year. Plans were made for spring games.

Congratulations, girls, for the good work.

FOOTBALL

This year our boys took the field early in September to meet the task of changing from a six man to an eleven man team. Under the guidance of Arnold Hartsen and with his assistants, Ward Johnson and Charles Argana, the team was taught the rules and offensive and defensive plays of the new type of game.

Lyndonville wound up the season with a 2 - 3 won - lost record and a tie for third place in the league standings. The team's scoring was done by Fred Bentley with 18 points, Hugh Fraser 17, and Gary Plummer and Willie Long each 6.

Despite the changes in the game and the rules, involving the learning of new plays, the team ended the season with a triumph over Elba. We hope that next year's team will end all the games with the score in favor of L.C.S.

This year, while our team was valiantly struggling for victory on the field, our town bolstered us by their excellent support. They, the town's people, took pride in our school's team and cheered until the game was long over.

JUNIOR VARSITY BASKETBALL

Winter came and with it came basketball. All the candidates for the J. V. team gave a last tug on their shoelaces and took to the court. Even though every game was not a victory, we still had a lot of fun and a fairly successful season under the capable eye of Coach Hartsen. The team won only four of the scheduled twelve games, but there were quite a few games that could have gone either way. This was one of the unfortunate years when they went the other way.

The starting five had ample aid from several of the second stringers, as they dropped in many important buckets.

The individual high scorer for the year was Willie Long who swished 119 points through the hoop. Pete Blanchard came in a close second with 93, while Mike Zapf hit the hoop for 84 points. Following Mike were Paul Otto with 71 and Roger Woods with 23 points. Alan Joy and Bob Harrold had 28 and 25 points respectively, and hit the circle for many clutch buckets.

Others who entered the scoring column were Larry Paine, J. Roy Rogers, John Buccolo and Ted Byerly.

Most of these boys will graduate to the Varsity next year, but we seem to have a group of boys ready to fill the Junior Varsity shoes that are now empty.

VARSITY BASKETBALL

In the 1956-1957 year many hard fought battles were played without mishap. The record for this year was as follows:

Lyndonville 48	-----	Borker 50	Lyndonville 40	-----	Povilion 58
Lyndonville 37	-----	Povilion 46	Lyndonville 40	-----	Roy-Hort 54
Lyndonville 48	-----	Roy-Hort 62	Lyndonville 39	-----	Borker 71
Lyndonville 38	-----	Kendall 40	Lyndonville 53	-----	Elbo 61
Lyndonville 41	-----	Wyoming 64	Lyndonville 51	-----	Kendall 80
Lyndonville 45	-----	Elbo 52	Lyndonville 60	-----	Wyoming 56

Upon glancing at this summary, one gets the impression that the team didn't fare well. Eleven losses against one victory isn't a good record in anyone's scorebook, but four games were very close contests. It seems that this year the breaks went against us but our players showed their ability every game as they fought doggedly until the final whistle stopped them. We can be proud to have such a willing team trying to bring the victory to our school.

This year the scoring honors went to Jeff Smythe with 113 points. The other nine players followed in this order: David Dix, 82; Roger Riemer, 60; David Herry, 58; Fred Bentley, 58; Dick Hoffman, 57; Hugh Fraser, 46; Gary Plummer, 46; Duane Giblin, 10; and Bill Woodroe, 8.

BASEBALL

As every ballplayer knows, when you have reached the top, and the odds start going against you, there is one place you can and do go, and that is down. The members of the L. C. S. nine, in the '56 season, found this out. After five consecutive league championships and three Section Five championships, L. C. S. failed to finish first. Our record was not bad considering the factors involved. Our two pitchers, Jeff Smythe and Willie Long, labored valiantly trying to insure our victory record but their efforts were spoiled by petty yet costly mistakes. We, the players, believe that the experience gained last year will be one of the biggest assets for our coming '57 season.

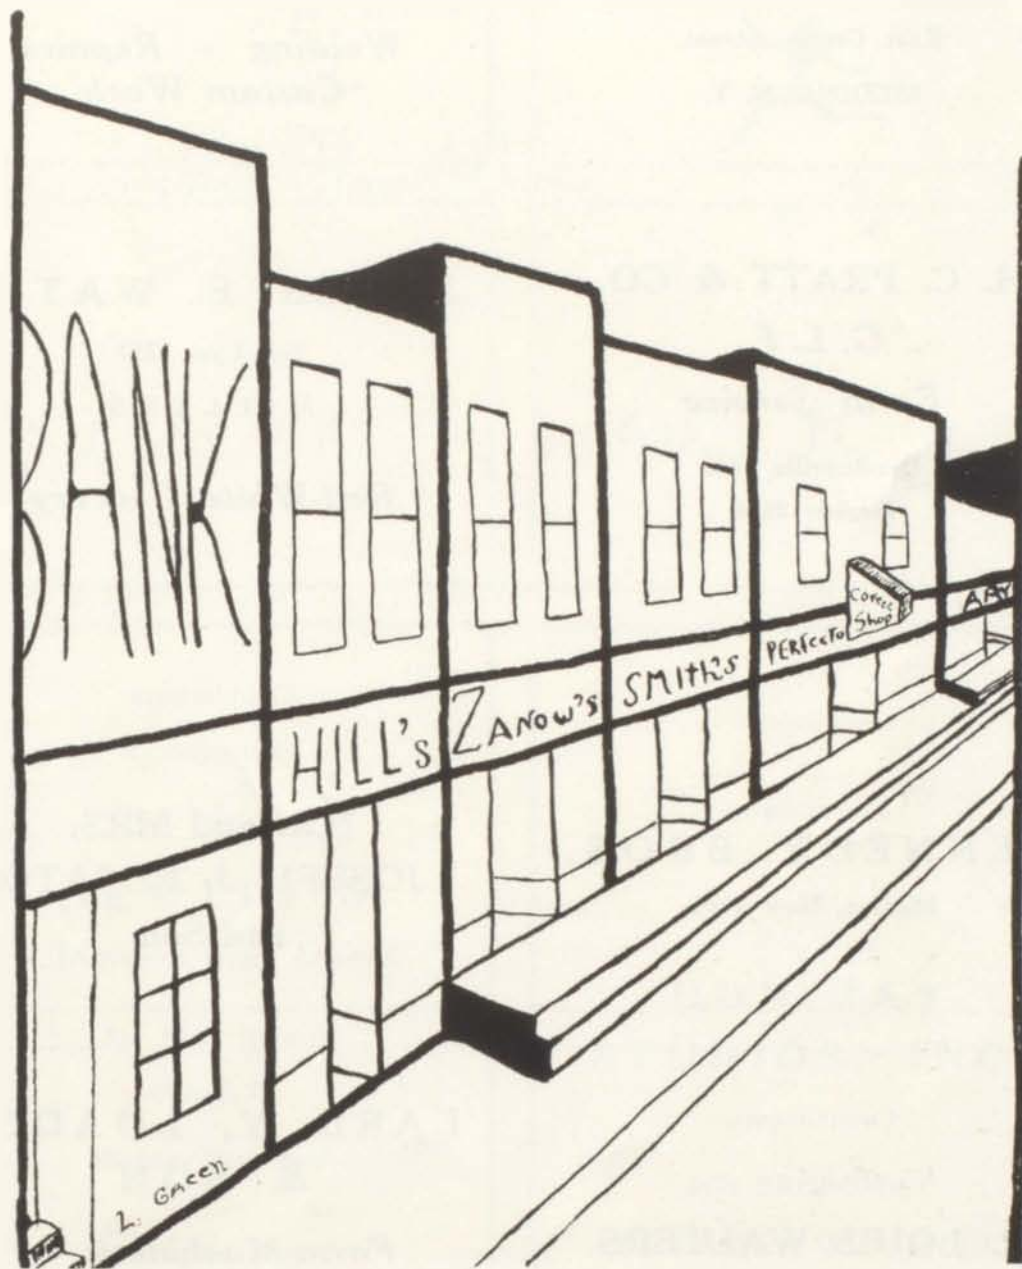

Town support is a very important factor in our struggle to recapture the championship title which has made Lyndonville a standout among the baseball communities of our area.

ALMA MATER

*You may range through all the rainbow
And love each separate hue;
You may praise the rosy sunrise
Or the evening skies so blue;
But the colors of our high school
Due honor shall not lack,
While we can sing of Lyndonville,
And the Orange and the Black.*

*Thru four long years of high school
'Midst the scenes we love so well,
As the mystic charms to knowledge
We vainly seek to spell;
Or we win athletic victories
On the baseball field or track,
Still we work for dear old Lyndonville,
And the Orange and the Black.*

*When the cares of life o'ertake us
Mingling fast our locks with gray,
Should our dearest hopes betray us
False fortunes fade away;
Still we banish care and sadness
As we turn our memories back,
And recall those days of gladness
'Neath the Orange and the Black.*
