## LYNDONVILLE BEGIN OUR TIGER TALE

## ALMA MATER

You may range through all the rainbow
And love each separate hue;
You may praise the rosy sunrise
Or the evening skies so blue;
But the colors of our high school Due honor shall not lack,
While we can sing of Lyndonville, And the Orange and the Black.

Thru four long years of high school
'Midst the scenes we love so well,
As the mystic charms to knowledge
We vainly seek to spell;
Or we win athletic victories On the baseball field or track, Still we work for dear old Lyndonville, And the Orange and the Black.

When the cares of life o'ertake us Mingling fast our locks with gray, Should our dearest hopes betray us False fortunes fade away;
Still we banish care and sadness
As we turn our memories back, And recall those days of gladness ${ }^{\text {'Neath the Orange and the Black. }}$

Mr. Earl Warner
Elementary School Principal

Although Dr. Nephew has only been with us a year and a half we have become very close to him.

He has put forth an extra effort to know each student individually and has spent many hours listening to the kids' problems. He is always there when you need him, and is always interested in new ideas.

Dr. Nephew is a swell guy-and a fantastic principal.

Seniors
It may seem difficult for you to understand, but I envy each of you the opportunity to face the challenging issues of the future.

Adlai Stevenson once said, "The final gift of all true education is precisely this wisdom which enhances learning, dignifies human relations, and plays with a sof benign tolerance over the follies and shortcomings of all God's children."

You will need the spirit of this wisdom as you confront the great dilemnas of our society. Certainly the continued exploitation of nature to enhance our mode of living or the cognitive use of God's gifts to help people make a life is one of the more demanding conflicts of the future.

If Lyndonville Central School has helped develop an awareness of the great issues of our society, it will indeed have contributed to your growth in wisdom, and for this we are glad.

Sincerely,

Standing: Mr. J. Oakes, Mr. B. Petrie, Mr. J. Wright, Mr. R. Corser. Seated: Mr. F. Broadwell, Mr. C. Plummer, Mr. S. Barry Jr., Mr. F.

## PAT IN BELGIUM

Our representative to the 1970 A.F.S. summer Program was Patricia Barry. After many interviews and much screening she was selected to go abroad if a family were found whom she could stay with. When she was asked about her summer
"I was really excited the day the letter arrived saying I'd be spending my summer in Oastaker with the Legiest family. A new family, new friends and new thoughts all made up a most wonderful summer. A.F.S. was a tremendous experience. I learned much about other people and also a lot about myself."

On November 6 the Senior Class of 1971 performed their version of the Broadway play "My Sister Eileen."

The st ory was about two sist ers, Ruth and Eileen Sherwood, who came to Greenwich Village, New York, from Columbus, Ohio to act and write. The only place they could find to live was a run down basement apartment with
a st reet level window, and a subway being built underneath. The experiences they had with their landlord were only a taste of the trouble that was yet to come.

We would like to thank Mr. Large, Miss Woleslagle and our Student Director, Pat Barry for helping us put on the best and most talked about Senior play in Lyndonville.

## JUNIOR PROM

A forest of evergreens sur rounds a bridge ar ching over a stream. Some wild flowers, mushrooms and forest creatures enclose a pond and gurgling fountain. These were the scenes found along the path to the throne in "The Enchanted Forest". Each candidate for the queen was escorted by one of the candidates for king in the royal walk to the throne. Vick ie Wolfe and Gerald Woodworth were crowned King and Queen by last year's reigning Chris Fisher and Bill Stothers.

The Class of 1971 would like to thank Mr. Martino, our class advisor, for helping us make the best prom ever.

## 1971 ECHO STAFF

The Echo Staff has labored steadily through vacations, after school, and at home; complet ing the 1970-71 Yearbook with hopes that it will hold pleasurable memories for you.

We would like to extend special thanks to Mrs. Bradley, Mrs. Cavers, Mr. Rose, B. Badders, L. Humphrey, B. O’Brien, G. Hoffman.

## STUDENT COUNCIL

Made up of two representatives from each grade, the Student Council regulates extra-curricular activities and assumes other responsibilities given to it by the administration. Some of the things done by the council include: changing the dress code so that girls may wear slacks to school, gaining membership in the New York Association of Student Councils, selecting two representatives a junior, and an eight $h$ grader for a committee reviewing the grading system, and also with the Medina Student Council, organizing the sophomore, junior and senior students of both schools for the United Fund Drive, and a "student" record collection is also being instituted in the library.

The Student Council is a bridge over the gap between the administration; the school board and the student body. It is a student resource, a voice, a group that
should represent and make known the interests of each class and the whole student body. Only with the active interest of the students and people willing to represent the ir class, will the Student Council continue for the good of the students.

## CASEY

Kasian Sairsuwan, our A.F.S. student this year, is from Thailand, in the Province of Phitsanvloke. He lives with his parents, three brothers and two sisters.

While in Lyndonville, Casey is living with the James Oakes family. His favorite American food is a hot dog with cat sup. He is active in the A.F.S. club, M.Y.F., football, wrest ling, and was an admiral in the Senior play.

When Casey returns home he will be studying agriculture at the University of Bangk ok

This is what Casey has to say about his A.F.S. experience
"Before coming here every one asked me, 'What do you think about America?' I couldn't answer, I just said I will find out and come to tell you. I had some quest ions to ask myself about that, too. How do they live? What do they do? After living here I can answer the questions. It's very easy.

I would also like to say I really appreciate my American family, school, friends and Lyndonville, the small village with kindness. I have found happiness and enjoyed being here, although it's not the same way that I have been living. Thank you everyone who brought me to the U.S.A."

Casey's family Carnival Time

## A.F.S.

One wouldn't expect that selling pizzas would be a door to international understanding; yet $t$ he proceeds from the ir sales, and ot her activities, are used in our student exchange program. Through the se programs, A.F.S. hopes to increase awareness of the world, develop better communicat ions and work toward world peace.

Seniors talking with Casey.

BASKETBALL

The Tigers started the season with an essentially inexperienced team, only four members of last year's team returning and eight players up from the J.V.

An exciting win over Elba 51-50 and a fantastic upset over Byron Bergen, the league leader, increased the Tiger's spirit and gave us a high league standing. Congratulations to the team and Coach Rose for a great season.

Thanks to Coaches Large and Hardner the guys are in top shape and really know their business. Congratulations to the Bagubas for a fantastic season.

## CHEERLEADERS

After the spring tryouts, summer practices for cheerleading camp and making up new cheers and rout ines, they were ready for our sport s-minded year. Pep assemblies, a snake dance, and a bonfire carried us through football and cross-country season.

Competition for the Spirit Jug helped build school spirit to its greatest peak, which gave complete support to the wrest ling and basketball teams. Miss Woleslagle, cheerleading advisor, used her pep and spirit to help make Lyndonville a Tiger town.

## VOLLEYBALL

For the eighth year in a row Coach Hartsen and his volleyball team captured the G.O. title, af ter defeating Elba and Wyoming at the County Tournament held at Elba. The Tigers then moved on to the regionals where they won over Keshekua-Nunday at York Central School. This gave them the right to enter the sectional finals in Rochester. We are very proud of our volleyball team for doing a great job with only two days practice.

## CROSS-COUNTRY

With a five and four record, the Tiger Hurriers finished with their second winning season in a row. With only one senior, Dave Nellist, leaving next years' team should be one of the best in the league. Congrat ulations to Coach Touhey and his Hurriers.

Top Row: B. Bale, D. Nellist, R. Schwarzott, D. Moore, R. Corser, B. Nichols. Second Row: D. Merrill, J. Carr, D. Murphy, J. Jurnich, R. Carr, M. Czarnopski. Third Row: K. Murphy, B. Carpenter, B. Carver. Kneeling: Coach Touhey.

## GOLF

The Tiger Swingers tried something new this year. Golf is a non-contact sport, therefore Mr. Fischer experimented. Girls, as well as boys, were allowed to try out. As a result three girls made the team. Coach Fischer feels that the experiment was a success and plans to keep golf open to everyone

Top Row: J. Millis, J. Francis, T. Wolfe, D. Oaks, Mr. Fischer. Second Row: B. Nichols, J. Prahler, R. Nellist, L. Millis, R. Moore, M. Herry.

## BASEBALL

This year the Lyndonville Tigers held a five win-seven loss record. The season proved to be an exciting one, with its highlight near the end in a tie game against Pembroke. The game went into two extra innings and ended in a 3-1 win for Lyndonville.

The team played some great ball. Congratulations to Coach Hartsen and the Team for a rewarding season.
