## " A Time For Us"

On May 20, 1972 the class of 1973 pre sented the annual formal dance entitled "A Time For Us." Clouds and stars hung low from the ceiling in a moonlit garden setting. A fountain surrounded by rocks and flowers and a bridge overlooking it were the focal point.

The coronation began at 11 o'clock featuring Mary Kage, Yvonne Strickland, Barbara Bentley, Laura Whipple, and Carla Babcock as the candidates for queen. Robert Plummer, Ted Hettig, Ed Hettig, John Belson, and Mark Ricci were candidates for king. Last year's reigning king and queen, Terri Wolfe and Mark Herry, crowned Laura Whipple and John Belson king and queen for 1973. A thank you is extended to everyone who helped make "A Time For Us" a success.

CAR WASH
As one of our splashing money raising proj ects, the class of 1973 held a car wash in the late spring of 1972. It was a lot of fun as we were getting washed right along with the cars. Thanks to the few people who showed up that day and helped make that showery car wash possible.

## "Homecoming"

This year the 1973 Echo staff held the first annual Homecoming queen contest. Candidates for queen were Laurie Fletcher, Madeline Kufahl, Laura Whipple, Mary Kage, and Laura Allport. A spirited pep assembly was held during the last mods of the day. It was sparked off by the crowning of our Homecoming queen for 1973, Madeline Kufahl.

Floats made by each class and the 1973 Echo staff were brightened up by our Homecoming queen and runners-up. The homecoming game which followed brought an exciting day to a close for one more year.

On November 17, 1972 the Senior Class presented the play "Your Money or Your Wife." The setting is back in the thirties. It's a mixed up affair with Mr. Jones trying to find a recipe for a crisp dill, and Doris planning to marry Hamilton but still in love with Ned Graham, and with Millicent, the maid of honor, eloping with Hamilton in the end.

Many thanks to Mr. Large, Miss Woleslagle, and Kathie Marshall our directors. Their help and directing abilities were greatly appreciated by all of us.

Our A.F.S. student overseas this year is Wayne Salen. He lives with the Roudergues family in Lons-Le-Saunier, France which consists of his mother and father and a brother, Michele, 17 and sister, Ann-Lise, age 6.

Wayne enjoys life over there and can speak French quite fluently. He plays Basketball on the winning school team and is averaging 30 points a game. Wayne's father is a school teacher at the school which he attends. Wayne goes there six days a week, but for only a few hours a day.

Wayne has done some traveling with
 his family also. He visited his grandparents 300 year old castle in the south of France, went to Switzerland and also to the northeastern section of France.

I live in one of Uganda's twenty one districts, located in the east of Africa. My parents are subsistence farmers and have successfully managed to bring up nine sons and one daughter.

I always wondered and asked myself whether it could ever be possible for me to reach the U.S.A. The more I thought about it, the more interesting it became

At last, through a valuable organization, the A.F.S., it was possible. I was able to reach one of the famous and biggest countries I always used to hear of.

Lyndonville is an interesting village. Its size made it possible for me to meet and know more people. I would like to take this chance to thank A.F.S. Int'l., the Lyndonville Community, my American family, and all people who made a contribution towards my stay and hence, my wonderful experience.

Steve Nathan Walimbwa
"Hi! I'm Madeleine from Sweden I want to show you some pictures from home. First my father and mother; and next all A.F.S. kids in this area. Then my sister Jeanette, now 20, who takes her last class in our high school called a gymnasium.

My father works as a salesman for a company which supplies small fruits to confection shops all over Sweden. My mother is a social worker and works with children during the day.

We live in Gothenburg, a big city on the west coast fairly close to Norway.

When I go back I have still two years left in school

My stay here in Lyndonville has really been great. I couldn't have come to a better place with nicer people. I'm deeply grateful to every one who has helped me to have this wonderful experience. I have gained much and hope I have given something of value to all of you, too.

Mr. Eugene Laws believed in youth inspired trust
and taught values
because he lived his own way,
we thank him.

During this past summer we were deeply saddened by the loss of a good friend. Ted Hettig was a great asset to this school as well as to the community. He proved this through his efforts and achievements on the football team and as vice-president of the Student Council. He will alsays be remembered in the hearts of his classmates and friends.

Christopher Curtiss was a hard working student and an easy person to get along with. He helped his classmates to understand each other. He will be greatly missed by all those who knew him.

## A FIRST BY VARDEN

## Student Yearbook

Photographers Workshop "a Fantastic Success"

In August of 1972, Varden Studios sponsored a workshop for student yearbook photographers which was held on the St. John Fisher College campus in Rochester, New York.
One hundred and forty students and yearbook advisors took over 12,000 photographs during a 3 day period. All photos were processed and critiqued during the workshop. In addition to this, everyone enrolled attended 4 theory lectures, 5 one hour talks by top men in their fields. 2 slide shows by Kodak, a tour of the Rochester Institute of Technology photo department and also found time for a cookout and several social hours which included an all night rap session.

Everyone was asked to fill out sheets
to evaluate the workshop. Some of the comments were: quote "I hope I flunked so I can return next year" by Laurie Chapman. Amsterdam High School, Albany, New York. "Varden should conduct workshops, again, again, again and again" by Terry Tiraborelli, Fairport High School, Rochester, New York. "I thought the whole workshop was fantastic" by Kathy Beerhalter, John F. Kennedy High School. Utica, New York. "I believe that this workshop, the knowledge and commitment that is involved, has broadened our minds not only as photographers, but also as adult human beings, who can work together to obtain a more advanced form of communication" by Craig Gross, Corning-Painted Post East High School, Corning, New York.
Workshop '73 has already been planned. For information, call or write Mr. Carl Tandoi, Varden Studios, Inc., Rochester, New York 14607. Phone 546-2360. We hope to see you there.
