candids 101

As the universe spins to a desolate end
in the doldrums of destiny's sea

So should I accept being as reasonless as the firmament's futility.

In a garmentless promise of nothing
we stand with only
the raiments of time

Q4 Samalow

It is ours to endure or endear
and end up embracing what ever we find.

## alma mater

you may range through all the rainbow and love each separate hue; you may praise the rosy sunrise or the evening skies so blue: but the colors of our high school due honor shall not lack, while we can sing of Lyndonville, and the Orange and the Black.
thru four long years of high school 'midst the scenes we love so well, as the mystic charms to knowledge we vainly seek to spell; or we win athletic victories on the baseball field or track, still we work for dear old Lyndonville, and the Orange and Black.
when the cares of life o'ertake us mingling fast our locks with gray, should our dearest hopes betray us false fortunes fade away; still we banish care and sadness as we turn our memories back, recall those days of gladness 'neath the Orange and the Black.

## homecoming

The second annual Homecoming queen contest was sponsored by the 1974 Echo staff, with the addition of a Homecoming king. Candidates for queen were: Barb Belson, Nicki Eppolito, Colette Pawlak, Linda Thering, and Michele Wolfe. Candidates for king were: Kelvin Baasgaard, Bill Large, Paul Martin, Doug Ricci, and Jim Whipple. A pep assembly held the last two mods began with the coronation of Colette Pawlak and Bill Large as Homecoming queen and king for 1974. Floats for the Homecoming parade were made by each class, by the faculty, and by the 1974 yearbook staff. The game which followed and the dance that evening brought to an end one more exciting Homecoming.

## senior play

On November 16, 1973, the Class of 1974 presented the play F.L.I.P.P.E.D. Vague but charming Christabelle Pendleton discovers her college age daughter, Niki, has joined F.L.I.P.P.E.D., Women's Lib Group. Afraid her temperamental husband will be furious, Christabelle asks her older daughters Drusy and Gaby, to get Niki to resign, but, instead, Niki talks her sisters into joining. Father forbids the girls to participate and Mother, demanding independence joins F.L.I.P.P.E.D. too. A riotous riot at the Kitten Club, owned by Gaby's husband, features Drusy's fiance and Niki's boyfriend dressed as "Kittens", winds in a police raid and climaxes in a wacky hearing at Night Court where the men learn to respect the girl's beliefs and the girls respect the men.

The Class of 1974 would like to thank Miss Woleslagle and Mr. Large for helping us enjoy one of the most successful senior plays ever. Also thanks are extended to: Miss Herr and the Art Department, Mr. Grammatico and the Band, and Mr. Martino, and Mrs. Suhr.

I want to commend the Seniors for the successful completion of thirteen years of education. Since the beginning seven years were at the Elementary School level, we look with pride at the pictures of the graduating seniors, knowing that we share in your success. We enjoyed working with you, watching you develop physically and mentally into young men and women who are capable of accepting the many challenges of life. I sincerely wish you the best of everything good as you leave school and apply the attitudes, habits and knowledge that you have learned as we worked together.

## administration

Congratulations Class of ${ }^{7} 74$ ! Your contributions to L . A. Webber during your high school days have been a great asset to our school system; especially so in these last two years. It was your class which helped initiate some of my personal philosophies regarding student responsibility and school pride; which is most vital in education. Beginning as a principal, with you, two years ago I firmly believe that a most positive approach and cooperation on your part have made this philosophy become more realistic and I thank you for leaving me that. Thank you and I wish you the best of luck in your future and if there is anything I can do to help continue your success, please do not forget that you can always ask for my assistance when you deem necessary.

Alphonso Stornelli
High School Principal

Congratulations, Seniors!
You have reached a milestone in your lives and in your careers and yet, as a popular song title states, "We've only just begun." Your commencement diploma is your reward for your diligence and perseverance. It signifies you have gained a mastery of the subject matter. It signifies a knowledge.

Yes, you have obtained a knowledge and now you must obtain a wisdom. A wisdom greater than that of your elders, for your challenges will be by far greater than those which confronted your teachers and your parents. As you leave these hallowed halls and strive forward in life, do not be frightened by its mysteries or by the uncertainty of your future. Be assured that opportunities abound for the individual who is determined to succeed. You are only limited by the clarity of your vision, your initiative, and the depth of your determination.

A great man once passed our way. John F. Kennedy, President, parent, patriot, and humanist has left each of us a legacy. He once said, "Ask not what your country can do for you, ask what you can do for your country." As we dwell upon the words of this immortal quotation, we must expand our horizons and ask, "What can we do for mankind." For no country, state, community, family, or person can survive as an isolate. Dedicate your lives to serve your brethren.

As you leave these familiar surroundings to seek your fortune, take with you our best wishes, the knowledge which you have gained, and a challenge to assist in whatever way possible the task of ridding humanity of violence, pestilence and strife.

Sincerely yours, Donald P. Bow Supervising Principal

We had a lot of fun this year working on the 1974 "Echo", coordinating everyone's ideas into a single yearbook we can be proud of. Few people realize how much work is involved in such a project, something done only once and must be learned through experience. We have innovated the idea of a theme signature, the first eight pages of our yearbook.*

We would like to thank our advisors, Miss Petrie and Mr. Gales, for their help in evolving ideas, typing, pictures, and most of all, for being members of our staff.

We can only say that in our eyes we did the best job we could, and we hope this book will be a pleasure and bring back many happy memories to all of you.

*The theme was taken from a song written by Mason Williams.

The Press Club edits the Tigers Roar and Wee Paws. Within the Tigers Roar are editorials, suggestion columns, sports articles, essays, and contribution articles by the student body. The Wee Paws is only sold during the holiday seasons for the elementary school. At certain times during the year, you may find an article about our school's newspaper in the Medina Daily Journal. The staff wishes to thank their new advisor, Mr. Filicetti, for his direction.

## a.f.s. club

The AFS Club is an organization whose purpose is to bring about better understanding among the people of the world. The local club has participated in several money making projects to send American students abroad and to bring foreign students to this country. These projects have included selling pizzas and memo boards. This year the members of AFS have enjoyed field trips and picnics.

We have been very fortunate to have had twelve students from foreign countries live in Lyndonville for a year. Several students. sponsored by AFS have spent a school year or a summer in foreign countries. These exchange programs have been a wonderful opportunity for us to become acquainted with students from other lands.

If I could ever tell you all about my summer living in Montes Claros, Brazil I know it would take forever.

I lived in a family with six brothers and three sisters. We really got close. One of the toughest things was learning Portuguese. We went through alot of sign language that first week but once I got by that I really felt like a part of all my friends and family.

My brother always liked to take me places so I got a chance to see Brasilia and Rio de Janeiro.

I have to admit that I missed alot of people while I was gone but going to Brazil has to be one of the most exciting things that will ever happen to me. I really loved it!

## football

This year's football season had a slow start but, due to the expert coaching of Mr. Kenyon, Mr. Montag, Mr. Large, Mr. Hughes, and Mr. Stedman, the Lyndonville Tigers finished the season with a flourish. As the season progressed, team and school spirit improved. We are proud of this year's football team, a team with determination, cooperation, and the will to win.

## wrestling

This year proved to be another winning season for the Bagauba wrestlers Under the fine coaching of Mr. Large and Mr. Hardner, the season included taking 2nd place at the Geneseo Tournament and for the 3rd year in a row capturing 1st place at the LeRoy Tournament. Among this year's highlights were an overnight trip to wrestle Watkins Glen and the County Tournament which was held at Lyndonville. New faces on the wrestling scene this year were the wrestling pep club. They helped to increase the spirit at the matches.

## basketball

The dribbling of a ball, the swish of a jump shot, the roaring of excited spectators, all are the sounds of basketball. This year's Varsity team consisted of seven seniors and five juniors. Many thanks should be given to the players and coaches for an exceptional effort.

The Lyndonville Tigers Varsity baseball team went to the diamond 10 times last season and came home with only 2 wins. Many errors and some bad luck plagued the Tiger hurlers. On the bright side, Ed Hettig, Doug Ricci, Scott Smith and George Slusser all proved that they could put the bat on the ball. Our first win of the season came at the hands of the Kendall Eagles. Our other win came on our home field as we defeated Barker 5-3.

Although they had a poor record, many of the juniors on last year's team will be back for another campaign this year. Many feel that we will have the talent to bring
 the baseball championship back to Lyndonville.

The J.V. Baseball team of 1973 compiled a record of 2 wins and 3 losses. Although they had such a short season, there were many bright spots last year. Mr. Hughes feels that when these boys move up to the Varsity, they will give the fans plenty to cheer about. He was very proud of the way they played and worked during the season.

## volleyball

Under the expert coaching of Mr. Hartsen and Mr. Katz, the 1973 volleyball team won the Section V Class C Championship. The Genesee-Orleans League Championship was won by defeating Wyoming. Lyndonville beat Keshequa in Quarter Finals. In the exciting Semi-Finals, Lyndonville defeated Marion. The Tigers proceeded to the Finals, smearing Avoca for the climax of the season.

Congratulations Tigers, on a fine team effort!

We were very proud of our girls for the fine effort and good sportsmanship they exhibited at their soccer games. We hope that in the future there will be girls' soccer teams with the same spirit.

## in memoriam

> for what is it to die but to stand naked in the wind and to melt into the sun? and what is it to cease breathing, but to free the breath from its restless tides, that it may rise and expand and seek God unencumbered?

Kahlil Gibran

Miss Florence O’Brien was one of those wonderful basic people who are rarely appreciated fully until they are no longer here. She was well known to most students for her leadership and abilities, as well as her kindness and encouragement. A scholarship fund for business students has been set up in her honor, under the stimulus of her desire to extend a helping hand to students after they leave high school. We greatly miss this rare, exceptional person with all our hearts.
