## Dedication

1979 Echo is dedicated to two wonderful women, for whom we all have a great amount of rsspect and to whom we owe a great debt of gratitude, Tullia Ridley and Shirley Albertson.

These women have worked tremendously hard at starting and maintaining a girls' athletic program in our school. Mrs. Ridley began boosting girls' athletics close to twenty years ago when she joined the staff as a physical education teacher. Five years ago she was joined in her effort by Miss Albertson, a math teacher, and together they initiated interscholastic volleyball and basketball and also coached extramural soccer and softball. Mrs. Ridley, in the head coaching position, and Miss Albertson as her assistant and Junior Varsity coach, expressed their determination, energy, and devotion by coaching all four sports the first year. These women continued to demonstrate these qualities in their coaching duties over the next four years. Always conscious of the goals of the female student body and the mood of the times, Mrs. Ridley and Miss Albertson have worked hard to make girls' sports an equal partner in athletics in Lyndonville. Under their guidance the girls' athletic program has grown from infancy to maturity.

Their hard work has paid off with several winning seasons in soccer, softball, and basketball. Mrs. Ridley and the girls gained their first championship in the 1976-77 basketball season, and followed with another one the next year. The teams would not have been successful without the genuine concern, encouragement, and leadership of their coaches.

These ladies have not only helped the girls develop physically through activity, but also mentally by teaching sportsmanship, hard work, and the value of self dignity. Mrs. Ridley and Miss Albertson have spent much time "chatting" with many students. It seemed they always had time to listen, which has proven to be a big step towards self knowledge for the girls involved. It was nice to know there was always someone who cared.

And so, with many thanks and much love, we dedicate the 1979 Echo to Mrs. Ridley and Miss Albertson.

## In Appreciation . . .

Many teachers in L. A. Webber High School have given much time and effort to help the Class of 1979. We would like to say a special thanks to four teachers who really stand out for their concern and labors. Their dedication to our class and goals has done much to advance us along the path to success.

I want to take this opportunity to thank all the people I have come to know here in Lyndonville. You have all helped to make my year here happy by being so friendly and helpíul. Even though the country and customs here are different from Norway, I have really felt at home here.

I would like to thank the school, AFS, my families and all my friends here for helping to make my stay possible. I will always remember Lyndonville and all the nice experiences I have had
here.

Love, Ann

## Ann Lieng

## Bill Shenberger

I spent the summer of '78 in Oaxaca, Mexico with the Rene Vargas Fabilas Family which is the nicest family next to my own. My family included my father, mother, Rene 15, Israel 14, Lulu 13, Samuel 12, Rebecca 10, Mauricio 7, and Jaime 4. T. my surprise each one of them was shorter than me as were most of the people of Mexico.

AFS didn't send me halfway around the world, but Mexico is a world of difference in culture from the United States. I did not know a single word of Spanish when I left but I came back trying to remember English words. The most memorable experience during my short two month stay was a family vacation to Puerto Escondido, a small village on the Pacific Ocean. I think I could have spent the rest of my life there with my family, my uncle's family, and a special "amiga."

The summer came to an end, but memories will never end. If I had my way right now, l'd be in Oaxaca reliving my memories and making new ones.

Hasta Luego,
103
Bill

## The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.
