## "I CANTT-FIGHT THIS FEELING"

1 ran't fight this feling any longer And yes I'm still afraid to let is flow What starred out as rriendship has grown stronger
I only wish I had the strength to les it flow.
I tell myself that I can'? hold out forever.
I say there is no reason for my fear.
Cause I feel so secure when we're together
You give my life direction, you make everything so clear.

And even as I wonder I'm keepin you in sight You're a candle in the window on a cold, dark winter's night.
And I'm gettin closer than I ever thought 1 might.

And I can't fight this fectin anymore I've forgotten what I started fightin for It's time to bring this sbipp in to the shore And throw away the ors forever.

No I can't fight this feelin anymore.
I've forgotten what I started fightin for. And if I bave to crawl upon the floor
Or come crashin thru your door
Baby I can't fight this feelin anymore.
My life bas been such a whirlwind since I saw you.
I've been runnin atound in circles in my mind.
And it always seems that I'm followin you girl
Cause you take $m$ to the places that alone l'd never find.

And even as I wander I'm keepin you in sight
You're a candle in the window on a cold, dark winter's night.
And I'm gettin closer than I ever thought $I$ might.

And I can't fight this feelin anymore I've forgotten what I started fightin for. It's time to brifgg this ship in to the shore
And throw away the oars forever.
No I can't fight this feelin anymore
I've forgotten what I started fightin for And if I bave to crawl upon the floor Or come crashin thru your door
Baby I can't fighechis feelin anymore.

Dear Mrs. Baker,
Your dedication and years of service to the Lyndonville Central School are greatly appreciated by all who have known you and worked with you.

I want to thank you for all of the help you have given me to make my job easier.
May you enjoy your retirement. You will be missed by all.
Sincerely,
Richard P. Pucher
One meets few truly selfless dedicated people in the course of a lifetime and has the opportunity of working with even fewer. Those of us who have had any contact with the central office are not only happy but proud to have benefitted from Esther Baker's talents, wisdom, and devotion for so many years. I thank her and wish her good health and happiness in the years ahead.

Alphonso R. Stornelli
All of us at the Elementary level extend to you our congratulations and gratitude for your years of service to the students, the district and to all our professions. You have been an excellent and inspiring person to work with.

We hope you will find great satisfaction in your future experience and that you utilize your well-deserved leisure to pursue your many interests.
Russ Martino, Sue Scharping, Gail Peters
From the rat-a-tat of her typewriter, the scurrying of her feet along the office corridor, her broad grin with a morning "hello", and her contagious sense of humor-all of these are only small parts of Mrs. Baker. I consider her a true "professional" and a credit to both our secretarial staff and Lyndonville Central School. You are my friend, Esther, and I will miss you.

Jan Wakefield
It seems as if I just met you yesterday and it has only been a year. I hope your retirement is a safe, healthy, and happy one. I was honored to meet you and now to call you friend.

Char Schmitt

I have really enjoyed working with you, more than you will ever know. I just hope I can remember everything you have taught me.
Don't forget all the Educational experiences (good, bad, \& funny) we had at the conferences, especially the year at Albany, when you received your District Clerk Certificate.
I hope you have a happy and healthy retirement. Enjoy yourself and have fun.
Your Friend, Sandy Grimm
The Lyndonville Central School System as well as myself, will be losing a devoted friend as you retire. I respect all the kindness and guidance you have given me.

As an ex-track coach I think you deserve a varsity letter. You have run many 100 yard dashes over the years to answer the telephone and help someone in need.

Best wishes , much luck, happiness and joy to you and your husband, Gordon in your retired years together.

Your Friend, Dawn Fraser
Esther will be missed because of her fantastic memory and always knowing "just where to find it.'

Pat Large
Ester (Whoops! Sorry!) Esther
You and I do go back a bit . . . those days on the Rt. 18 farm, the egg throwing incident with your brother, Grandpa Will's cider mill, and I could go on and on!
I have treasured your friendship over the years, and appreciate the advice and assistance you are always so willing to give. We will miss you here at L.C.S., but now it's 'your time", and may you and Gordon enjoy many happy years of retirement with your children and grandchildren.

Love, Carol Gidiey
Thanks for all the guidance and support you have given me throughout the years. I will miss your cute "Real Life" stories that you tell. You will be greatly missed.

Have a great retirement and enjoy yourself!

With the graduation of several key players. the Lyndonville Basketball Team has relied on young and inexperienced players this season. Seniors Brian Marek, Tom Pawlik, and Bill Fisher were joined by first year senior Scott Harris and a host of underclassmen including Juniors Neil Hungerford and David Donald, Sophomore Matt Woodworth, and 6'4" Freshman Bill Button. The Tigers have steadily improved as the season progressed and have never lacked hustle and determination. With many solid young players, the Tigers are a team soon to be reckoned with.

Chris Hayes, Tom Hoffee, Bruce Blanchard, Todd Riemer, and John Sparrer, with Kent Fischer the strong "6th-Man" in the line-up. Best of luck as future varsity players!

Although the Girl's Varsity Volleyball team had an unimpressive win-lose record, we look forward to a more prosperous year in 1986. Individual achievements were obtained and individual goals reached.

Their hard work throughout the season payed-off by making it to the Genesee Region Division III cheerleading finals at Honeoye Central School.

Linda Bennett, A.F.S. student to Peru, spent the full year of 1985 with a family in the coastal city of Trujillo, Peru. Her father was a physician; mother, a retired school teacher, and she had three sisters and one brother.

She and her brother and sisters attended a private Catholic school. The sixteen year old sister and Linda graduated in June. About 90 percent are Catholic, although there was a Baptist Seminary near her home.

Linda had an opportunity to visit much of the country. The mountains, which are very beautiful, are called "Peruvian Switzerland," she said. She has many souvenirs ... wool sweaters, poncho and brass plaques to display.
